Peoria High School
Peoria, Illinois

FOREWORD

A GOOD yearbook is a magic ticket to the days of yesterday. Snaps and pictures of those among the student body who were your good friends, these are collected for you and put in an enduring form. In this volume we have tried to bring together a group of memories, which read in after years will create the illusion of Youth. If this book serves to recall happy days at "Old P. H. S." it will have fulfilled its purpose.

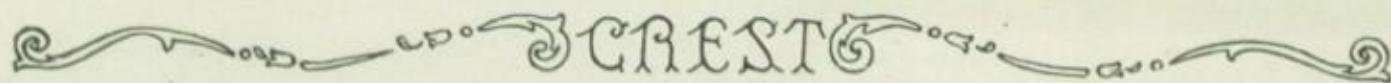

Contents

BOOK I	—FACULTY

BOOK VII	—HUMOR
BOOK VIII	—ADVERTISERS

THE CREST

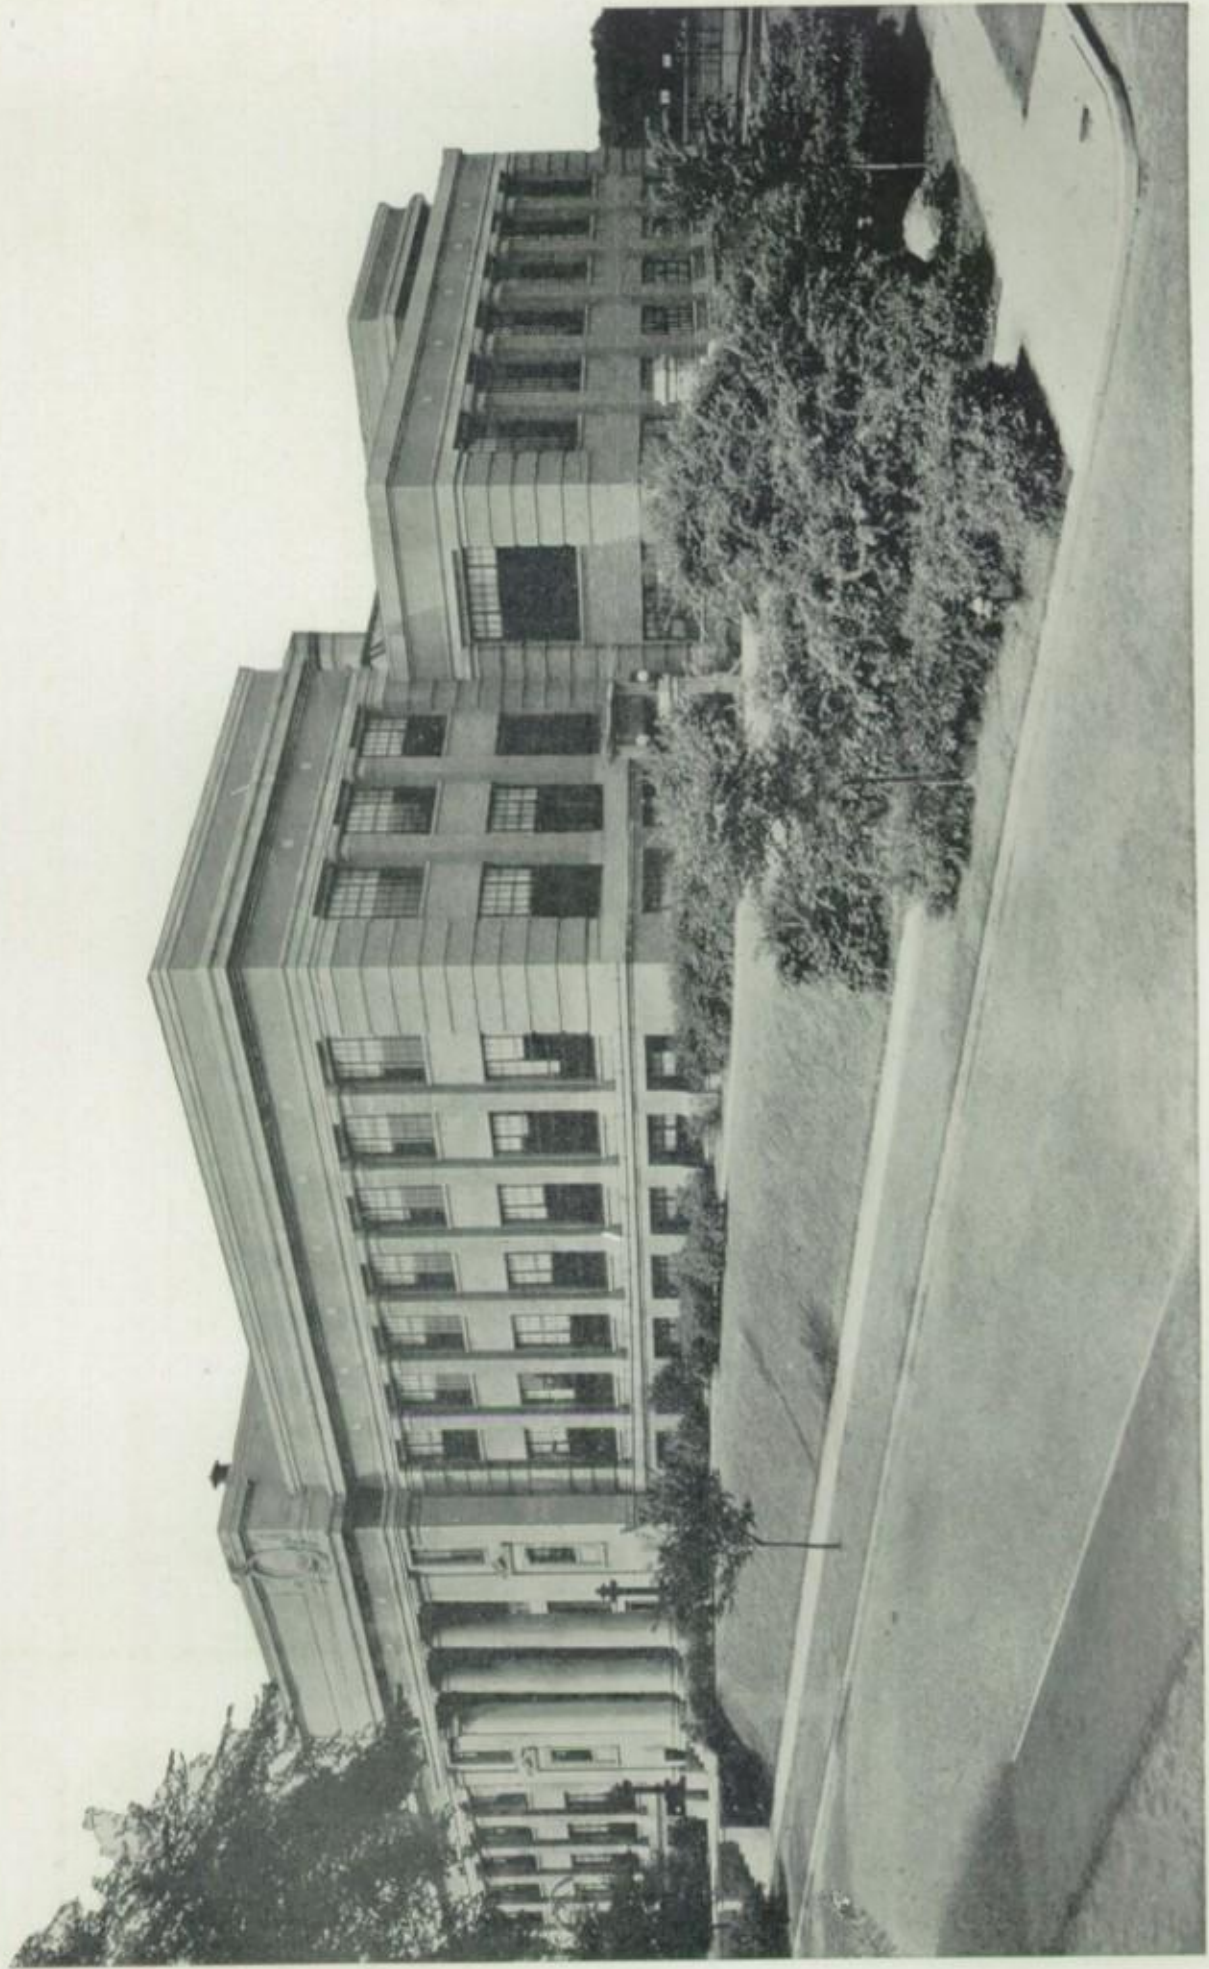

As partial recognition of the great work Mr. Brewer has done in making the school run smoothly during the first year he was here, the Staff of The Crest dedicates this book to him, realizing that without his co-operation it could not have been the success it is.

MR. FISHER certainly should receive the sincerest applause from the people of Peoria for the able way in which he has taken charge of the schools of this city. So the Staff of the Crest takes this opportunity to express the gratitude of the entire school for the understanding way he has settled the various school problems.

AS the new Dean of Boys, Mr. Murphy has demonstrated his wonderful ability to meet and deal with both the boys and their parents. Also he has ably filled the job of the school treasurer.

EVERY graduate of Peoria High will remember Miss Bartlett for her keen understanding of their problems if they have ever had any occasion to take them to her. As Dean of Girls, she is almost indispensable.

School Write-Up

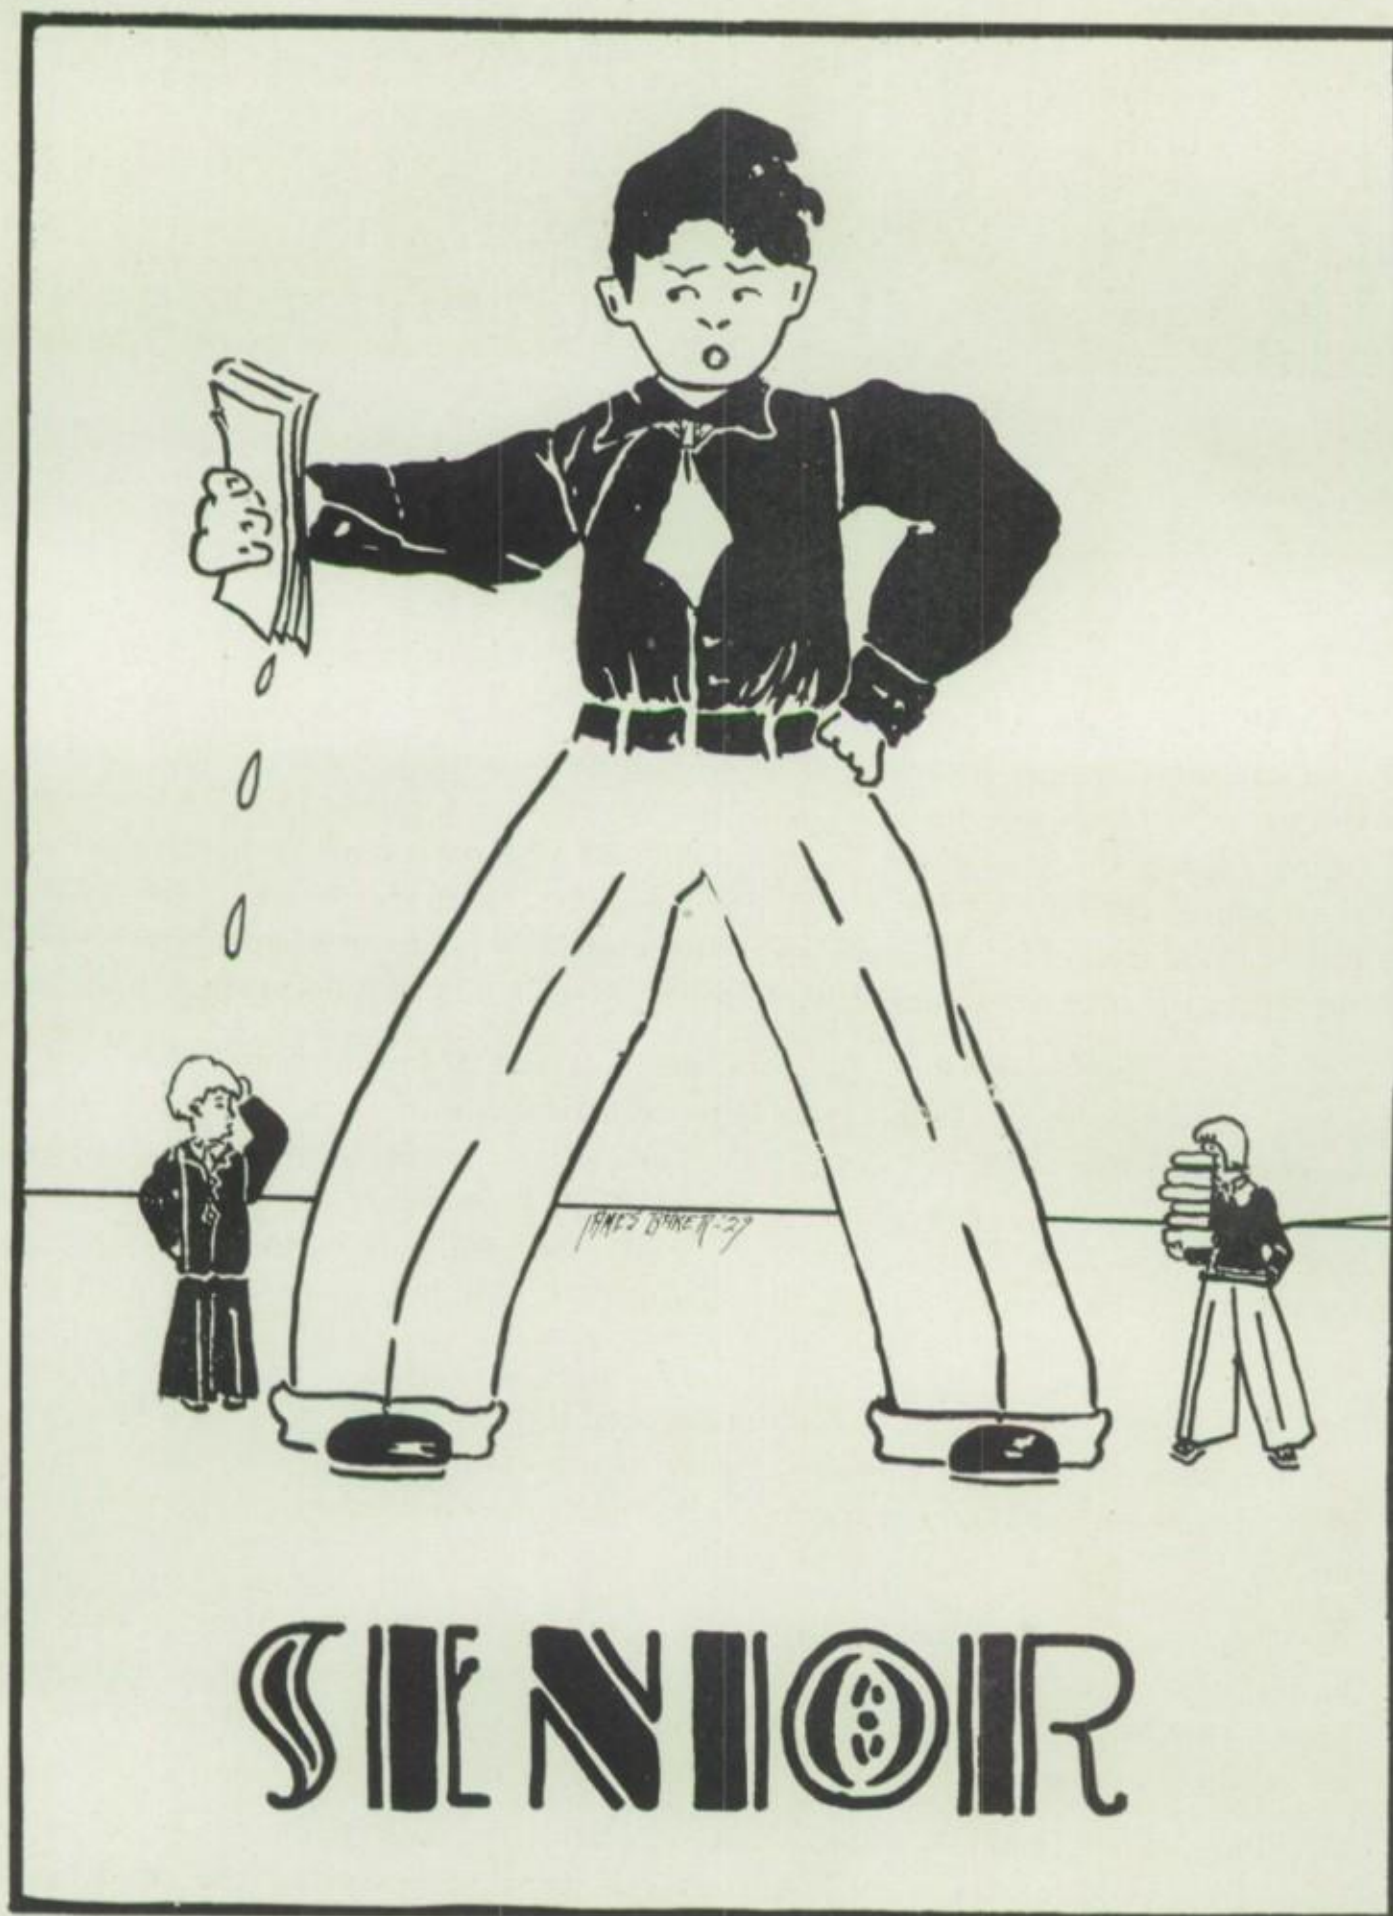

THE school has undergone some great changes this year under the capable management of Mr. Brewer, our new principal, Norman Bolles, and May Blomeyer. Norman Bolles and May Blomeyer were the first independent ever to run for office and be elected as president and vice-president, respectively. After successfully managing the Council for the first semester of the year, Norman Bolles graduated. May Blomeyer was automatically made president, thus becoming the first girl in Peoria High School to have the honor of holding that high office.

The Council sponsored the publication of the "Maroon and Black". These books were sent to the grade schools to be used as guide books by these planning to enter this high school next year. The old pennants in the study halls were taken down in order that we might make room for cleaner and newer ones. This year there has been a change in the "pass" system and the eighth hour has been lengthened. The register book has again been installed in the front hall and a prefect been appointed to take care of it every hour.

The Social Committee has had a successful social year. Matinee Dances were given on the average of every two weeks in the gym with Wayne Matheeny's and Dick Raymond's orchestras playing. Several successful evening dances were also held.

An island trophy case sponsored by the Council and the Athletic Board will be placed in the front hall between the Library and the South Hall. This will be built in order that the trophies won during the year may be placed in the case on exhibit in honor of those who have won them for our school.

The school certainly thanks Mr. Brewer, the faculty, Norman Bolles, and May Blomeyer for their time and efforts spent in bettering the conditions of Peoria High School.

MISS GILES AND MR. BURNS	Faculty Sponsors

AT last our four years have come and almost gone. Se we, the class of 1929, say good-by to old Peoria High. In your four years reign we have surmounted all obstacles, made many lasting friends, had many pleasures, and have gone through trying times—always to come out ahead as the winners. Sponsors, we have been successful in all undertakings, and are now completing the four short years at the highest point attainable.

From the first entrance into P. H. S. we were distinguished by our ability, not only in athletics, but also in class work and school spirit. Our athletes, as well as class teams, have come to the front, and have always fought to the last. Our members always fought to the last, have regularly ranked high in studies and have consistently been on the honor roll. Our spirit and loyalty has also been very exceptional. In years to come, great things are expected of members of this class.

The Junior Prom, give at the Hotel Pere Marquette last year for the first time in the history of the school, was the best ever given by a Junior Class. This years outstanding events were the class play, "The Whole Town's Talking," and the Senior Hop. They too were well attended and very successful from every point of view.

At last we make our exit from our dear Alma Mater. And it is with regret that we bid adieu. We will always treasure and look back with longing desire and fond memories of these past quartet of years. Bonjour!

THE JUNIOR CLASS

MARION HOGATE	<i>President</i>

JULIA CLARK	<i>Treasurer</i>
MISS COPPOCK AND MR. CANTY	<i>Sponsors</i>

THE Junior Class has proved its worth this year by giving one of the most successful proms the school has ever had. There were many who thought the Prom would be a "flop" this year as the Haresfoot Club was on the same night and all the track men were barred because of a meet the following day. Nevertheless, the Prom "went over big" owing to the untiring efforts of Miss Buswell and the committees headed by Shirley Foliott, Joe Prenger, Vivian Pehl and Bob Morgan. Miss Buswell got some original ideas for decoration while in Chicago and carried them out beautifully in the Jr. colors of blue and gold.

Every year the sport enthusiasts think the teams are the best they have ever been and are sure that when the seniors leave, the school will lose its reputation. But we juniors feel confident that we can carry on the high standard P. H. S. has always set, not only in an educational and social way but in athletics.

To prove our statement take a look at the juniors who have won letters for their athletic ability. The athletic Manager is a junior, Bill Welch. Marion Hogate is president of the Letterman's Club, which has more than a dozen Junior members.

THE class of '31 came to P. H. S. in a mass of 521 (250 boys and 271 girls). As freshmen we amused the upperclassmen with our wide-eyed innocence and obvious greenness. Now we are full fledged Sophomores and still going strong.

We were advised to wait until late in the year to organize our class; so in April, we held our first meeting and elected the above splendid officers. The meeting was a great success. We pride ourselves on the big turnout we had. Every Sophomore was interested and showed his enthusiasm by attending the meeting.

We have every opportunity for a brilliant future as a very active Junior and Senior Class. We have selected two of the most capable sponsors in school: Miss Ottenheimer and Mr. Sammis. We should undoubtedly accomplish worlds with two such popular and efficient advisors to guide us thru our coming years.

Although unorganized, we have been comparatively active during this year. Some of the more bookish ones have been active in the various clubs, while the boys have gained a praiseworthy in the field of athletics. We have all tried to do our share in keeping up the school spirit and hope to continue to do so in the coming years.

FRESHMAN CLASS

A SCHOOL without Freshmen—what would it be like? Lively, fresh, original, they, as much as any part of our school, reflect our spirit. As they stand at the end of their first year in high school, what is their purpose for the coming year?

Let's listen in on one of their conversations.

"Hi, Jack."

"Hi, Bill."

"Say, you know, I was reading an old annual of my sister's and found out that they had organized when they were only first semester Freshmen. Do you suppose we could get busy and organize in time for the Crest?"

"I'm afraid not, Bill. It has to go to the printers very soon now, and it will take some time to see Mr. Brewer about our advisor and everything. But let's you and I go to the Class Editor of the Crest and have her tell the old world that we're a live bunch if we aren't organized. What say?"

"O. K. with me. But there's basketball practice first. See you later."

So in every line the class of 1932 has proved its worth. Their names are to be found on the athletic teams, the honor roll, and they are active in the organizations open to them. In the inter-class games they were no mean foes.

Then all honor to the freshmen, the class of 1932.

THE Student Council, this year has been exceptionally lucky in the tireless co-operation of our new principal, Mr. Brewer, and the endless resourcefulness of the faculty advisor, Mr. Damon. The student body has been greatly interested in the Council this year and is coming to realize that in it, there is a great chance for school advancement.

The Council was very sorry that, for the best of his future plans, Norman Bolles, president, had to resign his office at the end of the first semester. However, is an ill wind that blows no one any good. By the Constitution, May Blomeyer succeeded in the executive position and she has certainly shown that Peoria High School could make many worse mistakes than electing girl as head of the Student Body, especially if the choice fell on one so capable as May.

All in all, the Council has made a more important place for itself this year, and we confidently expect it to keep this position during the next year under the guidance of Robert Morgan and Helen Price.

Charvice

MARY CHESMAN	<i>President</i>
ADA MAE ALBRIGHT	<i>Vice-President</i>
MAJORIE MENDENHALL	<i>Secretary</i>
EILEEN BERGQUIST	<i>Treasurer</i>

CHARVICE has been in existence at Peoria High School for six years. It is the girls' honorary society of the school, characterized by ideals of service, character, loyalty, and friendliness. The girls are chosen by a board from names submitted by members of the faculty and, therefore, besides wishing to give their best to school activities, attempt to maintain a high scholastic standing.

Charvice took charge of the Football Banquet which was held at the Pere Marquette.

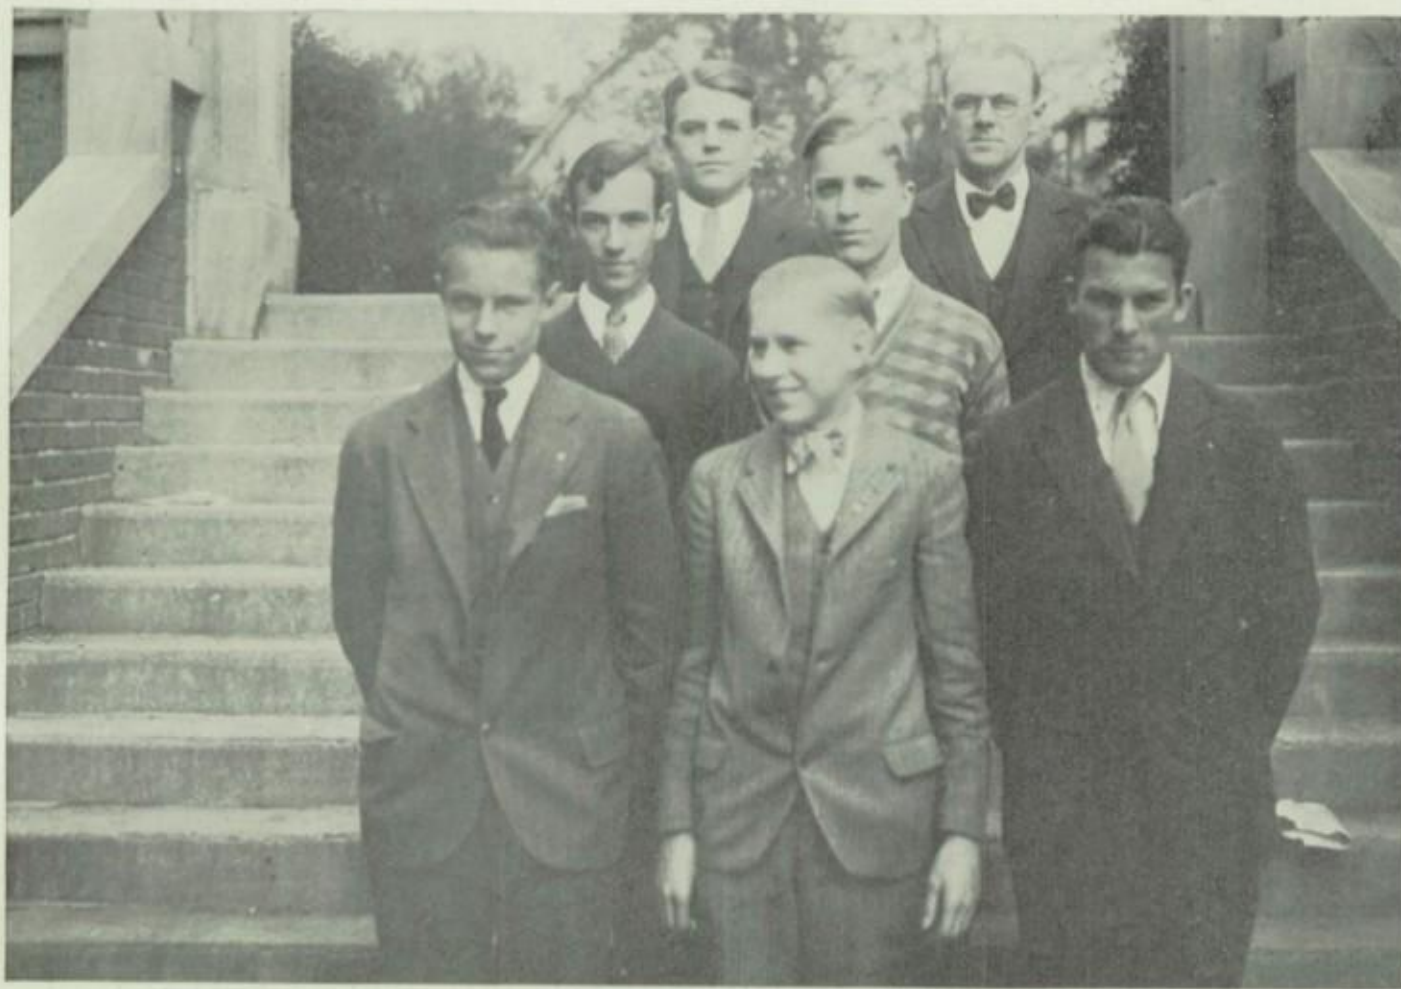

Each hour a girl assists Miss Fisher in the library. The Lost and Found is also in their charge.

The able and loyal sponsors of Charvice are Miss Boynton, Miss Ottenheimer, Miss Hayes, Miss Wilson, Miss Coppock and Miss Sankey.

The Senior girls who belong to Charive are: Ada Mae Albright, Mary Chessman, Pauline Chown, Frances Eckard, Janice Erzinger, Marjorie Mendenhall, Berenice Paith, Eileen Bergquist, Lucy Lee Brown, Jane Coleman, Harriet Slenker, Helen Vandever, Zoe Walker, Lucille Bahr, Irma Brodman, Dorothy Folden, Marie Higgs, Helen Huber, Marian Hunt, Alice Joy, Ruth Lied, Mildred Meehan, Katherine Miller and Mignonette Wolf.

The Junior Members are: Caroline Paker, Julia Clark, Dorothy McSkimin, Doris Rockefeller, Elizabeth Salmons and Elizabeth Otto.

The Sophomores are: Jean Coomber, Hazel Davenport and Catherine McClelland.

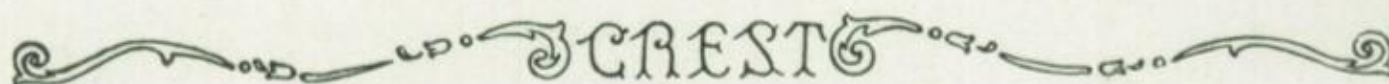

Promerito

PROMERITO is a society composed of those Junior and Senior boys who have served Peoria High School by entering into its activities, furthering its interests, and carrying out its ideals. This club was formed to take the place of Philaxia, the former honor society for boys in the school.

"Promerito" is a Latin expression meaning "In return for merit". This is indeed a suitable name for such an organization, for in this club are to be found the boys who have pledged themselves to serve and support their school and have carried out this pledge in all of their many activities.

The members of this honor society are chosen by a council consisting of one teacher from every department in the school. The membership of the club is limited, so a great honor is conferred on those elected.

Because the club has been so newly organized, it has not been able to take any particularly prominent part in school activities itself; yet the individual members have accomplished much, and form an outstanding example of service and loyalty to Peoria High School.

The Manual Arts Club

RAY DRUMMOND	<i>President</i>
DICK HOWLETT	<i>Vice-President</i>
BOB LAUDERDALE	<i>Secretary</i>
FREDERICK SIMPSON	<i>Treasurer</i>
MR. GAMBACH, MR. BARLOGA, MR. WHITBY, MR. WESTHOFF	<i>Faculty Advisors</i>

THIS Club is quite new, having organized this year. Its purpose is to sponser activities of interest to students of the Manual Arts Department.

During the year the Department was entertained by the following programs. A lecture by Mr. Elwood B. Cole, aviator, on "How to become a Licensed Pilot." Another interesting talk was given by the architect, L. Eugene Robinson, on "An Ideal House". A war film presented by Mr. Post of the Rex Studio was also appreciated. The club extends its thanks to these busy and public spirited men.

THE ART GUILD

THE Art Guild is an organization of students from the Art department interested in beautifying their surroundings, especially the school and the Art room. It has sponsored one very successful function and plans are under way for another. Besides these social events, the Guild designs and paints pillow tops, lamp shades, wall hings, screens, place cards, and tallies for use at home and to sell.

There are no officers. A committee is selected for each social event. Miss Mohoney is the Faculty advisor.

The Social Science Club

ADA MAE ALBRIGHT	President
WALTER THOMPSON	Vice-President
SYLVIA DUNLAP	Secretary
WARREN KINSEY	Treasurer

THE Social Science Club has been organized in order to develop a better appreciation of the Social Studies, to offer greater opportunities for fuller discussion of National problems, and to promote an active and intelligent citizenship.

The meetings this year have been more regularly attended by the members, nobody being drafted for the membership. The Club again decided to have its own magazine to give chances to the students with literary inclinations, and have had many good issues containing interesting articles about our city, state, and country. The "Pathfinder" has been a success through the loyal support of the members and the efficient direction of its staff.

A new constitution was adopted by the club this year. The program committee had some very good programs to develop the group spirit among the members. A party was the big social event of the year.

The club is sponsored by Mr. Heghin, and the Social Science Department teachers, who loyally supported all activities of the club. We are sure the club has served its purpose and will grow bigger and better every year.

The French Club

MARY CHESMAN	<i>President</i>
BENJAMIN TAYLOR	<i>Vice-President</i>
PAULINE CHOWN	<i>Secretary</i>
KIRKER QUINN	<i>Treasurer</i>

THE French club has finished another successful year. This is a club open to all third-year French students and all second year students having an average of A or B. The purpose is to increase the interest and show that things can really be accomplished in French.

This year contained a varied program. There was an illustrated talk by Miss Sankey on her trip in France. Besides French songs and games at one time a cabaret scene was held where pictures of the food ordered were served. For this the students had to brush up their vocabularies as the menu was written in French and the waitresses supposedly did not speak English. Another meeting was a treasure hunt which was doubly difficult owing to the fact that the clues were all in French. Unlike most years a play was given, only for the club members.

Much of this year's success is due to the faithful sponsors, Miss Bunch and Miss Buswell.

Spanish Club

RUTH LEID	President
ZOE WALKER	Vice-President
WALTER MORRISON	Secretary
HELEN VANDEVEER	Treasurer
MISS CLAUSEN	Advisor

THE Spanish Club, although a small organization, endeavors to give students of Spanish an idea of the language and of the customs of Spain, which they would not receive in class. Membership is open to all interested Spanish students.

Under our capable program committee chairman, Rosalie White, several interesting and varied programs have been presented. Spanish songs have been sung and games played. An original cross-word puzzle proved to be a brain teaser for some of our best students.

Our January meeting was in the form of a party. For entertainment the students made illustrated Spanish biographies of each other. When each person received his booklet, he found his past, present, and future plainly shown for better or for worse. The party ended with the usual good things to eat.

Next year we hope for a bigger, better, and more successful Spanish Club.

Science and Math Club

LUIS VANCE	<i>President</i>
JANICE ERZINGER	<i>Vice-President</i>
ADA MAE ALBRIGHT	<i>Secretary</i>
MARGARET MELVIN	<i>Treasurer</i>
KIRKER QUINN	<i>Sergeant-at-Arms</i>

THE Science and Math Club of Peoria High School, under the efficient leadership of its faculty sponsors, Mr. Epstein, Mr. Sammis, Miss Kinhofer, Mr. Sommers, Mr. Parkhill and Miss Misner, has completed another successful year. Meetings are held every two weeks for a discussion or presentation of a paper. The purpose of the club is to create interest in scientific studies among the students on a scientific subject. An interesting feature of the meetings is the lively discussion following the paper, participated in by many of the students.

In order to stimulate interest in the club and its activities, a prize was offered for the best meeting held during the second semester. This of course caused more careful preparation on the part of those presenting the meetings, and improved the caliber of the meeting presented.

Active membership in the club is something of an honor, since it involves receiving an A or B in science, and an A or B in one other subject. Associate memberships, however, are open to all interested; these have all the privileges of the club except the right to vote or hold office. The meetings have been very well attended, and many topics of interest discussed.

Debating Club

ROBERT GAMBLE	<i>President</i>
GEORGE PHALEN	<i>Vice-President</i>
LUCILLE HESTER	<i>Secretary-Treasurer</i>
MISS CUTRIGHT, MISS MAXFIELD	<i>Advisors</i>

UNDER the careful guidance of Miss Cutright and Miss Maxfield, faculty advisors, the Debating Club has made rapid advancement. The Club was newly organized in September, 1928. Dues of twenty-five cents were paid by the members, and the meetings were held twice a month.

Interesting programs and debates were presented at the meetings. One which aroused a great deal of comment and caused a maximum of amusement was a debate presented by Mr. Epstein and Mr. Damon on the subject of "Prize Fighting".

Through the untiring efforts of the faculty advisors, affirmative and negative teams were picked for and entered in the Big Twelve Debating Contest. The affirmative Team consists of Lucille Bahr, Grace Darl Siepert, and Robert Gamble. The Negative Team consists of Kirker Quinn, Lucille Hester, and Marion Kuz.

Dramatic Honor Society

THREE years ago the Jusendra club organized the Dramatic Honor Society. The purpose of this society is to inspire the actors to do their best work. Faculty members serve as judges and choose the best actors according to their interpretation of character parts, their enunciation, quality of voice, and general impressions made on the audience.

The members who carried over to this year are:

CHARLOTTE JACOBSON	MILDRED PRICE
LESLIE NEAL	BOB BLANK
ROBERT STRUBHAR	GORDON POWERS
WILLIAM GRAY	EDWIN BEST
ELEANOR HIATT	HAROLD EVANS
BRUCE MILLER	

The ones elected this year are:

VIVIAN PEHL	VALERIE MICHAEL
GEORGE PHALEN	EDWARDINE SPERLING
GERTRUDE PULLIAM	WILLIAM TRUESDALE
HELEN PRICE	KERKER QUINN
DOROTHY DOW	MARY CHESSMAN

The Stage Crew

THIS year's crew, though small, was efficient, turning out such master-pieces as sets for "The Youngest", "Peggy and the Pirate", and "The Whole Town's Talking". They functioned like seasoned veterans on the Vaudeville Show and the G. A. A. Frolic.

Much of the credit for these successes must go to Mr. Epstein, the faculty advisor of this organization. He and his able assistants often stayed until the wee sma' hours of the morning, planning and executing various difficult feats.

Some idea of the dispatch with which the Stage Crew worked may be gleaned from the way they took care of the accident between the acts of the Operetta. A huge borderlight, weighing many pounds, crashed to the floor. The Stage Crew repaired it before the cast was ready to come on the stage and none of the audience knew that anything was amiss.

Don Duffy, student manager and electrician, deserves commendation for the lighting effects he has achieved and the excellent work done by the crew under his management. This is Don's last year, and his loss will be felt by those organizations using the stage.

Luis Vance, ropeman, is the uplifting influence. He "uplifts" the main curtain, the teasers, drapes, etc. This is also the last year that Luis will be here.

H. R. McNeely was very much in demand as a scenery operator between the acts.

Russell Ehresman, besides keeping the members of the Crew in good humor and amused, did his share of the work.

Walter Tobias is the only member who will be back next year.

THE Hi-Y Club of Peoria High School is under the supervision of Mr. Sommers of the High School and Mr. Robert Lindberg of the Y. M. C. A.

The purpose of the Hi-Y is to create and maintain high standards of Christians character in the school and community. The meetings are held weekly and are of three kinds: first, the supper meeting for which an interesting speaker is obtained; second, the discussion meeting, at which religious topics and social problems are discussed, under the leadership of the school advisor; third, the business meeting at which all business which arises during the month is taken care of. The Hi-Y is for all Juniors, Seniors, and second semester Sophmores.

Each year the Club sends candidates to the Older Boys' Conference, where they learn more how to be better citizens and how to live a clean and moral life.

TRI-S girls have again been striving to "Follow the Gleam". It is the duty of every Tri-S girl to be kind, good, and true to all that is fine and worth while in life. Every girl in Tri-S learns to live not alone for herself, but for others.

Of course it is necessary to mention the social events of the clubs, which were often held in joint groups. The "World Fellowship Luncheon" included all the associate clubs and groups. The "Valentine Luncheon" was given under the joint auspices of the East Peoria, Peoria Manual, and Peoria Central Clubs.

The most impressive of Girl Reserve ceremonies are the Vesper Services, in which the symbolic candle is lighted, united with the peal of the organ.

THE Girl's Athletic Association has again enjoyed a very successful year. In the Autumn a weiner roast was held at the Y. W. C. A. Camp in East Peoria.

The annual volley ball tournament was held and those on the winning team were: Dorthy Davis, Jane Pottker, Madeline Bedell, Alma Howerter, Dorothy Kinser, Janet Neiderhauser, Margaret Naffziger, Muriel Riegel and Mabel Spencer.

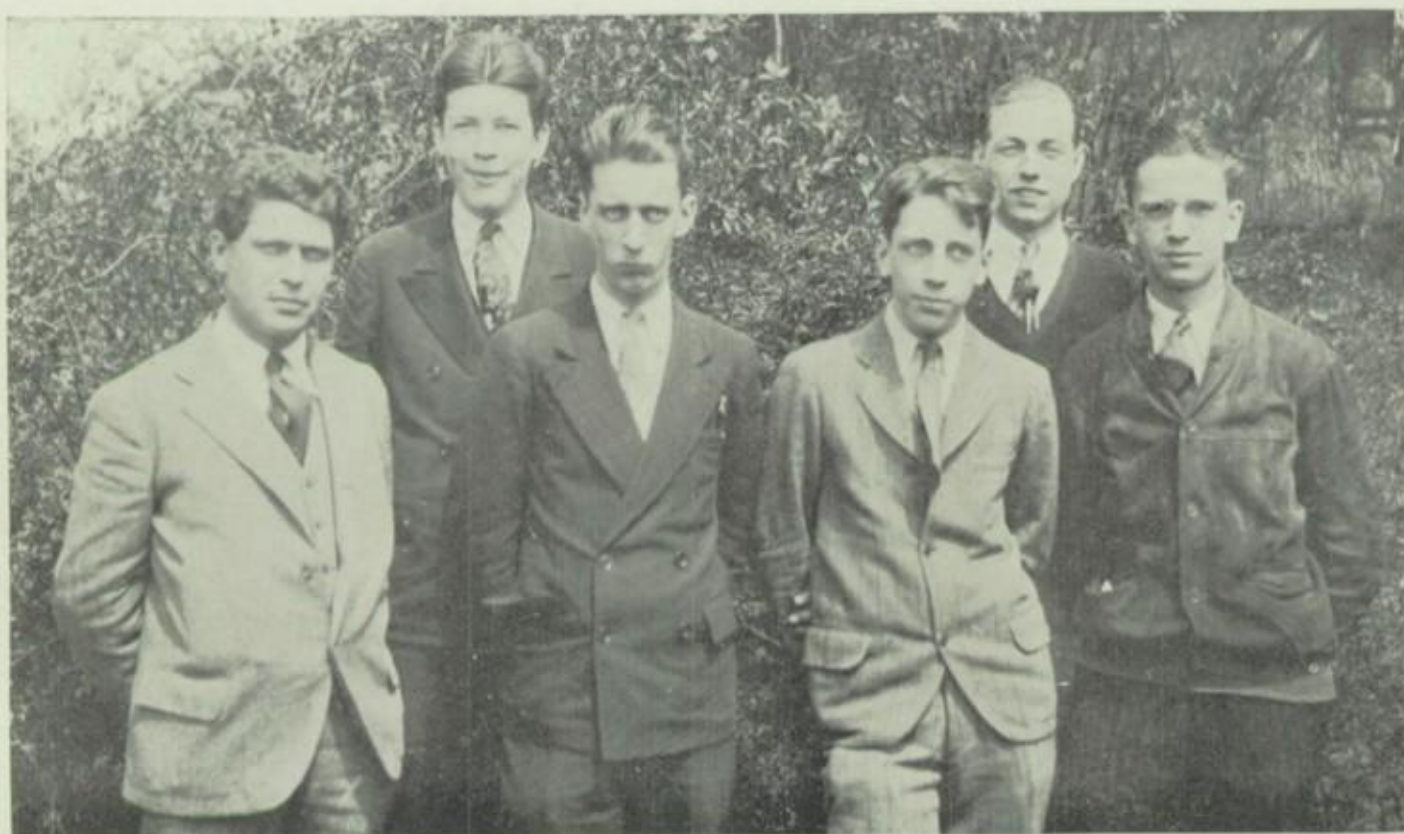

At Christmas a kid party was held. The new members were initiated in a startling but harmless manner.

Basketball started on Feb. 18.

The annual play was given and skating party held.

As usual, many pins, letters and awards were given to those who acquired the necessary number of points.

The organization is under the management of Miss Beulah Philpot, girls gymnasium instructor, to whom much credit is due.

Movie Crew

A REGULAR course of short movies was handled by the boys on the Movie Crew during the last year. Mr. Epstein, the faculty advisor, deserves a great deal of credit for the success of the movies. He has coached the operators until they are expert in their work.

Luis Vance, Chief-operator, handled the machine skillfully during the presentations. His assistant, Don Duffy, was an able one, and so well did the operators work, that there was not a serious mistake all year.

Since the movies were a part of the regular assembly course, the collections were made by the same people who made the collections for the assemblies, namely, H. R. McNeely and Farnum Oster.

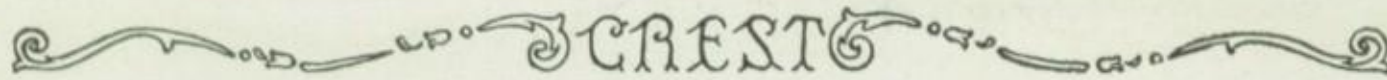

Besides the regular showing of the movies, Luis Vance did the spot-light work for such performances as the Operetta and the Vaudeville Show. The entire Movie Crew graduates this year.

Our projection booth is as well equipped as those of many of the professional theaters, having a Motiograph Machine (electric) of two thousand foot capacity, a stereoptician, several spotlights, and a mercury ore rectifier. Operators who have visited our booth are eloquent in their praise of ventilating facilities, fire proof construction, and roominess. The booth is equipped with a fire proof humidifier to keep the film pliable, and to protect it in case of fire.

In a recent test by the Movie Crew, it was found that in case of an accident, the arc light would not ignite the film for twenty three seconds, so well is it shielded. the film and to themselves. Because of the fire proof construction of the booth the audience is always safe so our movie booth is a real benefit to everyone.

THE English Club, which is one of the oldest and largest organizations in this school, is also one of the most active.

It is the purpose of this club to create a wider interest in literature, composition, drama, public speaking, and pantomime. It gives each and every member a chance to put forth his talents, and also to express his ideas concerning different matters.

At each club meeting, a different, yet novel program was presented. Sometimes there were poems and essays; then there were readings presented by students of the Public Speaking Classes. One meeting was in the form of an "old fashioned school," with an "old fashioned spelling match."

Dorthy Folden, the president, has made the club work very interesting, also introducing some new ideas for the improvement of the club.

Mrs. Belsley, our advisor, has co-operated with us very nicely, helping with the program, and always offering helpful suggestions.

At the February meeting Chi Gamble, a prominent newspaper man of Peoria, spoke to the Club. His talk was very interesting, and was enjoyed by everyone who attended.

Each year the English Club presents a play. This year's production proved to be a big success.

All in all this year has proved to be a very successful one for the English Club.

C. M. T. C.

THE C. M. T. C. Club is sponsored by Coach Herke. All young men who have attended the Citizen's Military Training Camp for at least one year are eligible for membership in the club. This club was formed in Peoria High School to increase the interest in the C. M. T. C. work and to promote its influence in the school.

The Peoria boys go to Fort Sheridan and to Jefferson Barracks for Infantry, to Fort Sheridan for Cavalry, and to Sparta, Wisconsin, for Artillery. The first year everybody takes the basic course in Infantry. The second year one can take a course in Infantry, Cavalry, Artillery, or Machine Guns. Then they take the same subject for his third and fourth years. When he graduates from his fourth year he can take an examination and receive a commission in the R. O. T. C.

The regular army furnishes all the clothing and equipment. Railroad fare is furnished to and from the camp. The first two weeks the Manual of Arms and drilling. The third week is spent at rifle practice and on the rough. The last week the regular work is kept up.

OUR Commercial Club which was organized six years ago has rapidly established itself as one of the most beneficial organizations of Peoria High School. Membership is made up of students who are interested in commercial work and has increased from a small enrollment to 125 students this year.

The purpose of the Commercial Club is to create a greater interest in commercial work. The club also sponsors the shorthand and typing teams which enter the contests at Decatur, Bloomington, and Normal.

At each meeting short plays, readings, and instructive talks are given. The first social event of the year was the Hallowe'n party at the Peoria Heights Village Hall. Wayne Matheney's orchestra furnished the music for dancing. A skating party and picnics are planned for the remainder of the year.

Mrs. Wisman and Mr. Canty, our advisors, have loyally supported all the activities of the club, and are to be congratulated for their fine work in sponsoring the club.

NATIONAL HONOR SOCIETY

THIS year a slight change has been made in the selection of the National Honor Society. A great deal of emphasis is being placed on scholarship. In fact so much emphasis, that if one is in the upper ten of the Senior Class he is almost certain to be elected. The following is a list of those who were selected this year.

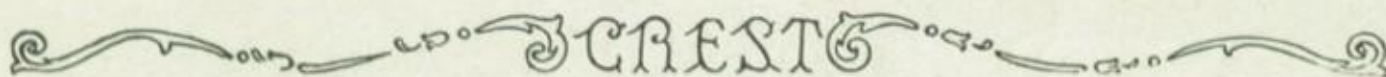

LEROY ASHER	MARJORIE MENCENHALL
LUCILLE BAHR	CARL MENELEY
JUNE BARNES	WALTER MORRISON
IRMA BRODMAN	HELEN NANCE
ROBERT CONWELL	GERTRUDE PULLIAM
ESTHER DIEHL	THELMA REYNOLDS
CLARA ENDRES	ABRAM SCHAFFER
JANICE ERAZINGER	HERMAN SIEGLE
DOROTHY FOLDEN	HARRIETT SLENKER
RUTH FRITSCHÉ	MARION MITH
ELEANOR HIATT	HELEN SOLOMON

ALDREA JOHNSON	ZOE WALKER
ALICE JOY	ROSALIE WHITE
RAYMOND KIPP	MIGIONETTE WOLF
RUTH LIED	LUIS VANCE
EVELYN MCGOWAN	MILDRED MEEHAN
MARGARET MELVIN	

Those elected last year were:

Ada Mae Albright, Francis Eckard, Kirker Quinn, George Phalen, Benjamin Taylor, Mary Chessman, Lela Gambach, Pauline Chown, Viola Dempster, and Helen Vandever.

THE CREST

THE CREST has completed its fifth year independent of the Opinion and shows how fit every editor was for his department, how farseeingly the Editor-in-Chief, Helen Vandever, has selected one plan throughout the book and carried it successfully to its destination, and how much the spirit of progress really permeates the school.

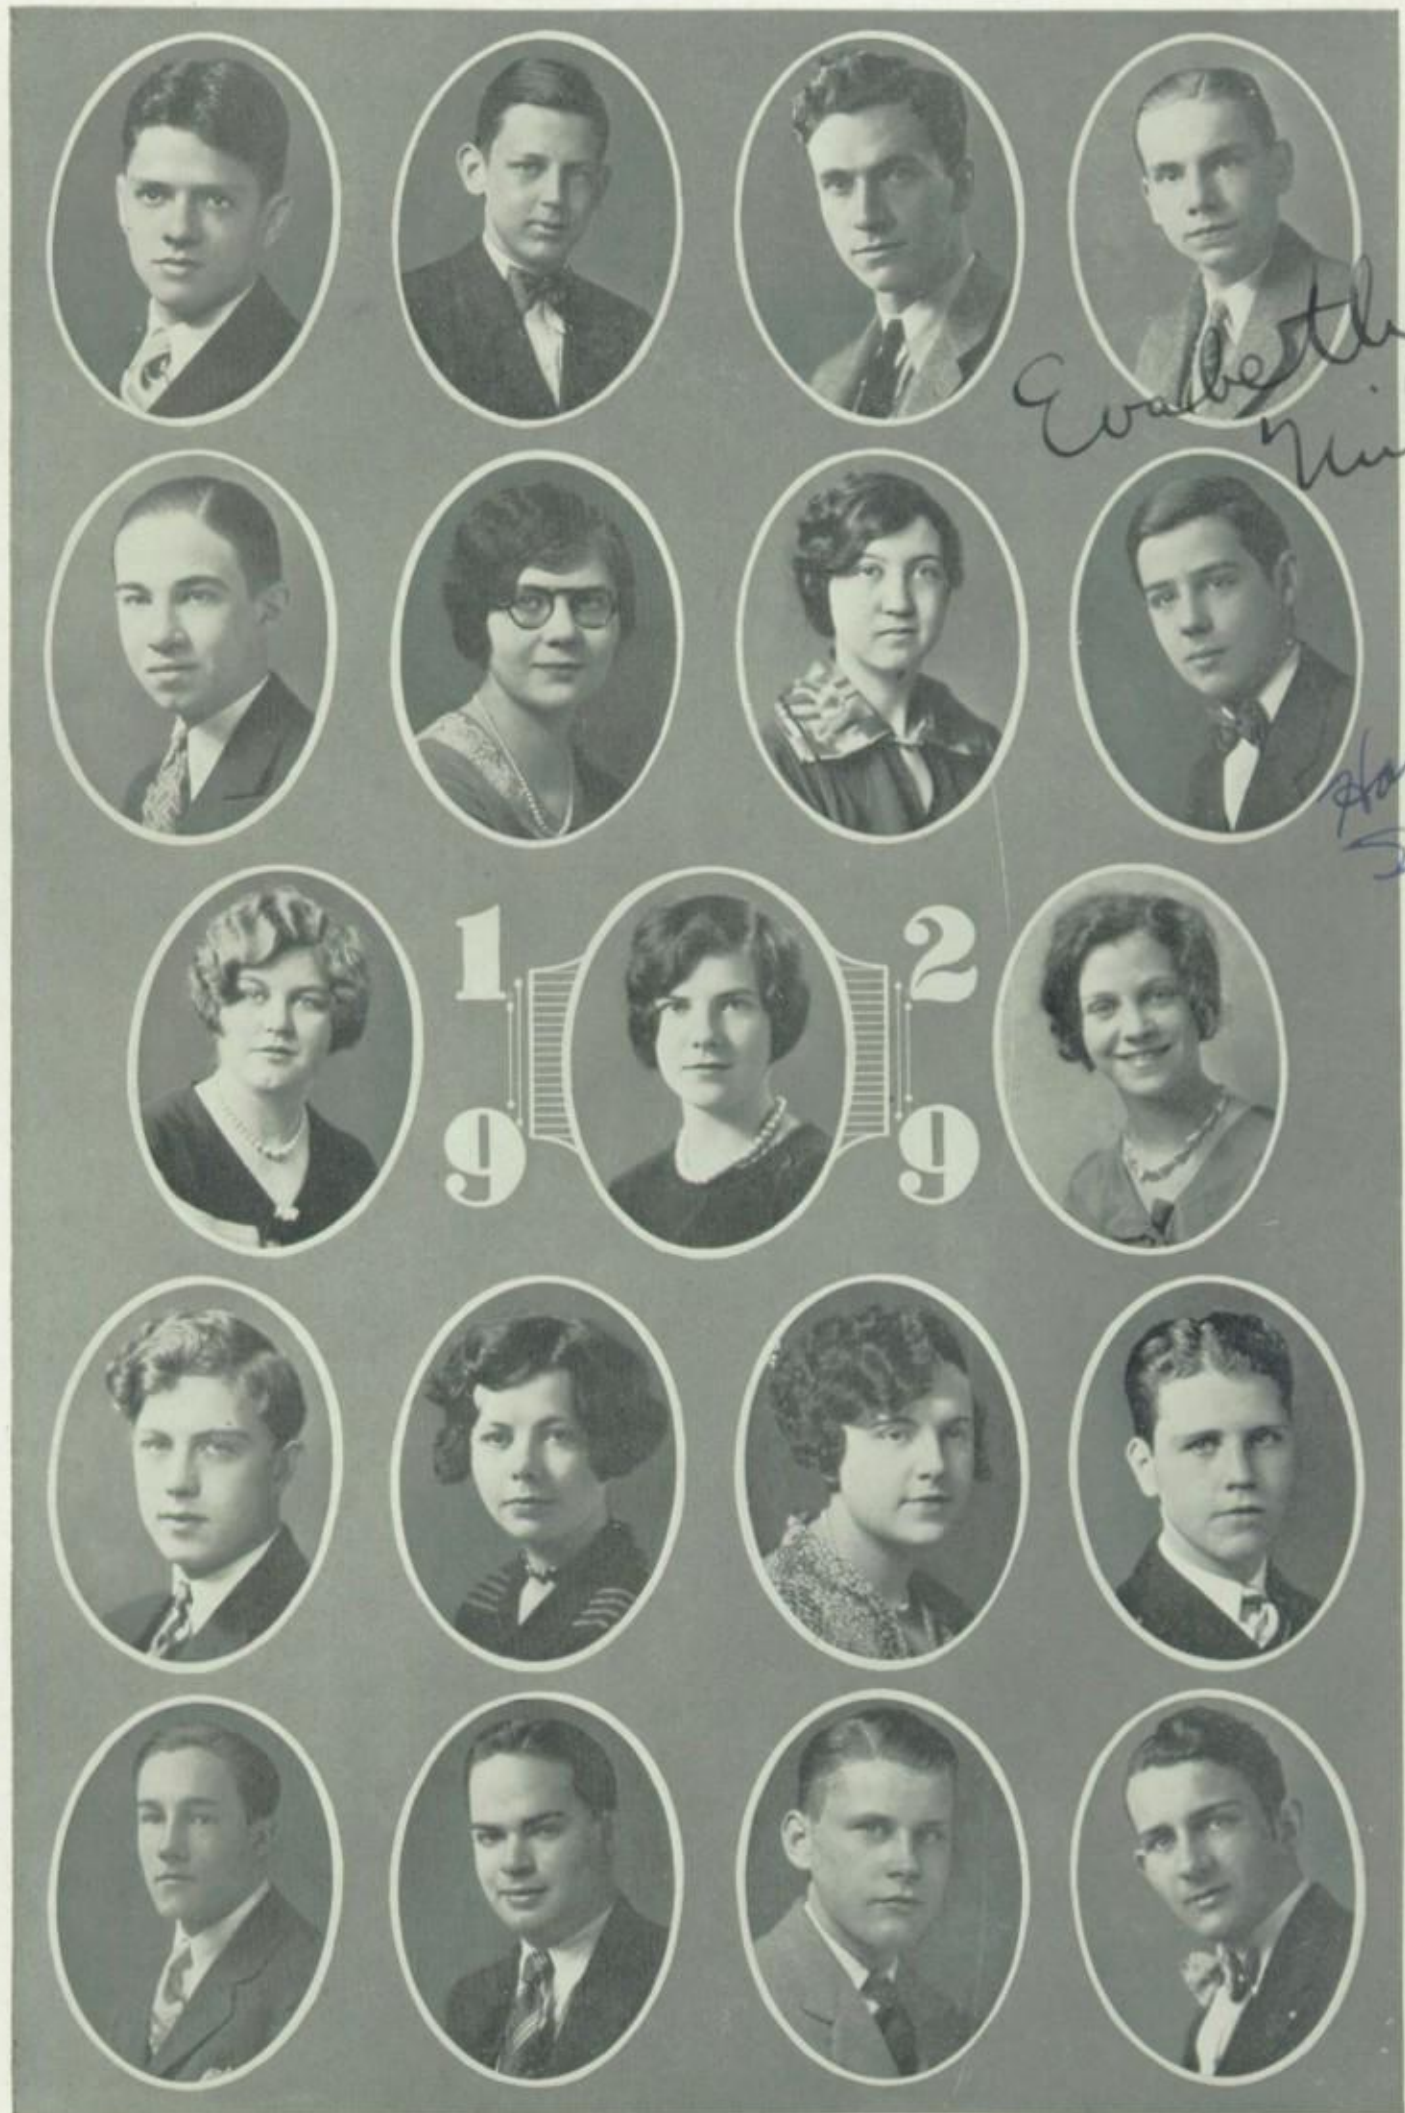

This year's group of seniors has been exceptionally large and it has been no small task to transfer to paper the true personal touch which will mean so much when the book is opened in later years. The Staff has done its best to produce an annual so personal, yet so complete, that every one who opens it will find some familiar detail of P. H. S. life to delight him anew.

The staff is justly proud of the appearance of the book both inside and out, for the color scheme is a unique one this year. The green and bronze color design is one of the most attractive and unusual of any high school annual. Special attention should be called to the Art work of the book. It will be noticed that the Division Cuts are done by various members of the Senior Class who are artistically inclined, instead of being done by the Art Editor alone. However this idea would not have succeeded if there had not been a good executive as the editor of this department and an art advisor, in Miss Mahoney, who was willing to co-operate with the students.

One of the hardest working groups in the production of the book is the Business Group, headed by William Truesdale, Business Manager, With the co-operation of Mr. English this group has advertised the Crest so that it is having the largest sale in years.

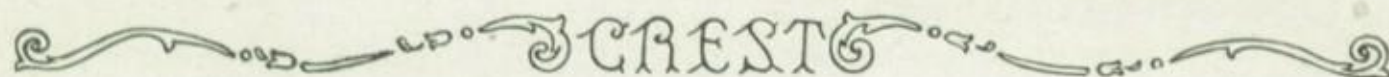

Although 'tis true that the editors have enjoyed their work immensely yet they cheerfully resign their positions and will to the succeeding Juniors, the endless solicitations, and the multitude of sleepless nights necessary for the publication of such a volume.

The Opinion

IN the fortieth year of its publication the Opinion has achieved several things of which Peoria High is justly proud. Run by the students and for them, it is one of the most successful of high-school papers.

At the first of the year Mr. Earl English became the faculty advisor and mainstay, replacing Mr. Frank Muirhead. A great drive was started and over one-third of the student body subscribed. The issues were, made more regular, coming out on the last day of each school week. Instead of delivering the papers at advisory groups a check system was used requiring subscribers to call for their papers.

The staff was better organized by the weekly meetings which were of benefit to the members and to the Opinion.

At the primary election for president the Opinion's first full extra was put out with the returns.

In the second semester a charter sent to the Opinion by the Quill and Scroll, a national honorary society for high school journalists, was utilized. A chapter was organized of staff members who could fulfill the requirements. Quill and Scroll is now an incentive to others for better journalistic work.

The officers are: *President*, ROBERT KIPP, who has been news editor of the Opinion all year. *Vice-President*, LUCILLE BAHR; *Secretary-Treasurer*, MARY WEBER.

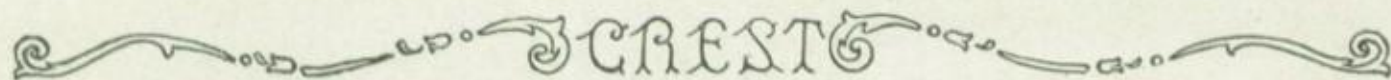

BAND

ALTHOUGH this organization does not receive as much recognition as some of the other activities, the members deserve just as much credit. The Band practises every Tuesday night and sometimes on Thursday, if a concert is to be put on.

The Band has one of the best instrumentations it has ever had, this year, and consequently is able to play the professional pieces required for the STATE BAND CONTEST. This year the band received unusually high honors winning first place in the Big Twelve Conference, with an even better chance next year as few of the players are leaving school. The members of the Band receive school credits as do the members of the Orchestra and/Glee Clubs, and in some respects the practice is conducted as a class.

The massed band plays every year at the Thanksgiving Game. It presents a stirring sight as it marches out on the field playing one of Sousa's marches. After this it marches to each side playing that school's Loyalty Song. It also plays several numbers between the halves.

A great deal of credit for the success of the Band is due to Mr. Bradley, its leader. Within five years he has built it up from a small group of players to one of the best Bands in the State.

Musical Activities in P. H. S.

1928-1929 has been a red-letter year in the Music Department. Every venture has met with success. All the choruses and glee clubs and the orchestra have contributed to this happy state of affairs.

At the first of the year the newly-organized Freshman chorus surprised the assemblies by singing the three best loyalty songs submitted in the school contest.

Just preceding the Christmas holidays the Boys' and Girls' Glee Clubs united with Jusendra in presenting a significant and beautiful pageant of the Christmas story. The choruses were sung by the Freshmen, who were sitting in the balcony.

From then until after February 1, interest and efforts were concentrated on the bi-annual operetta, "Peggy and the Pirate", by Morgan and O'Hara, being this year's production. It was a huge success in every way. It had the greatest attendance in the history of Peoria High entertainments. An Orthophonic Victrola and several pictures were provided for Music Hall from the proceeds.

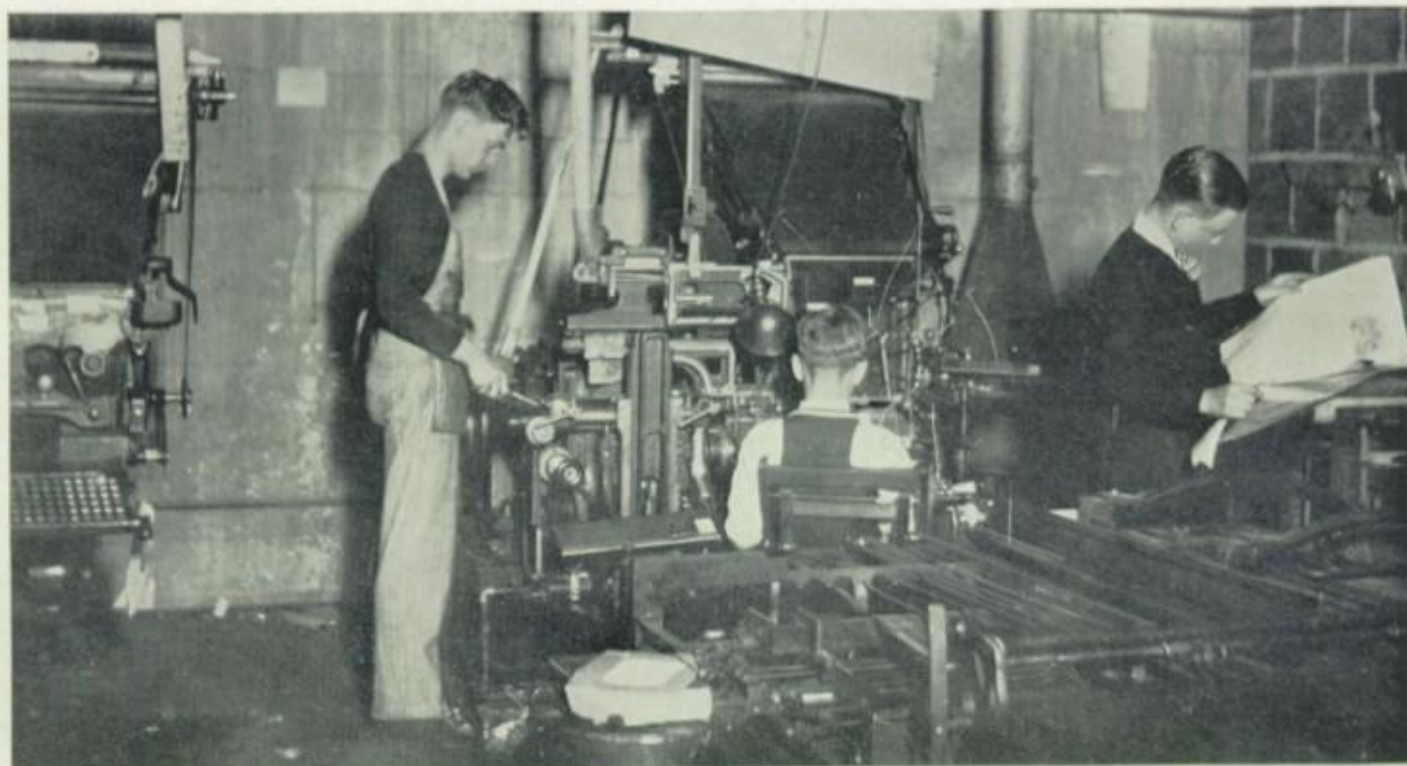

The Glee Clubs furnished the program given in the Auditorium on Open House Night.

In May the Combined Glee Clubs presented a musical program for the Parent-Teachers Association.

In the early part of May the orchestra, mixed chorus, and soloists in voice and instruments entered the annual Big Twelve Contest, held this year at Manual.

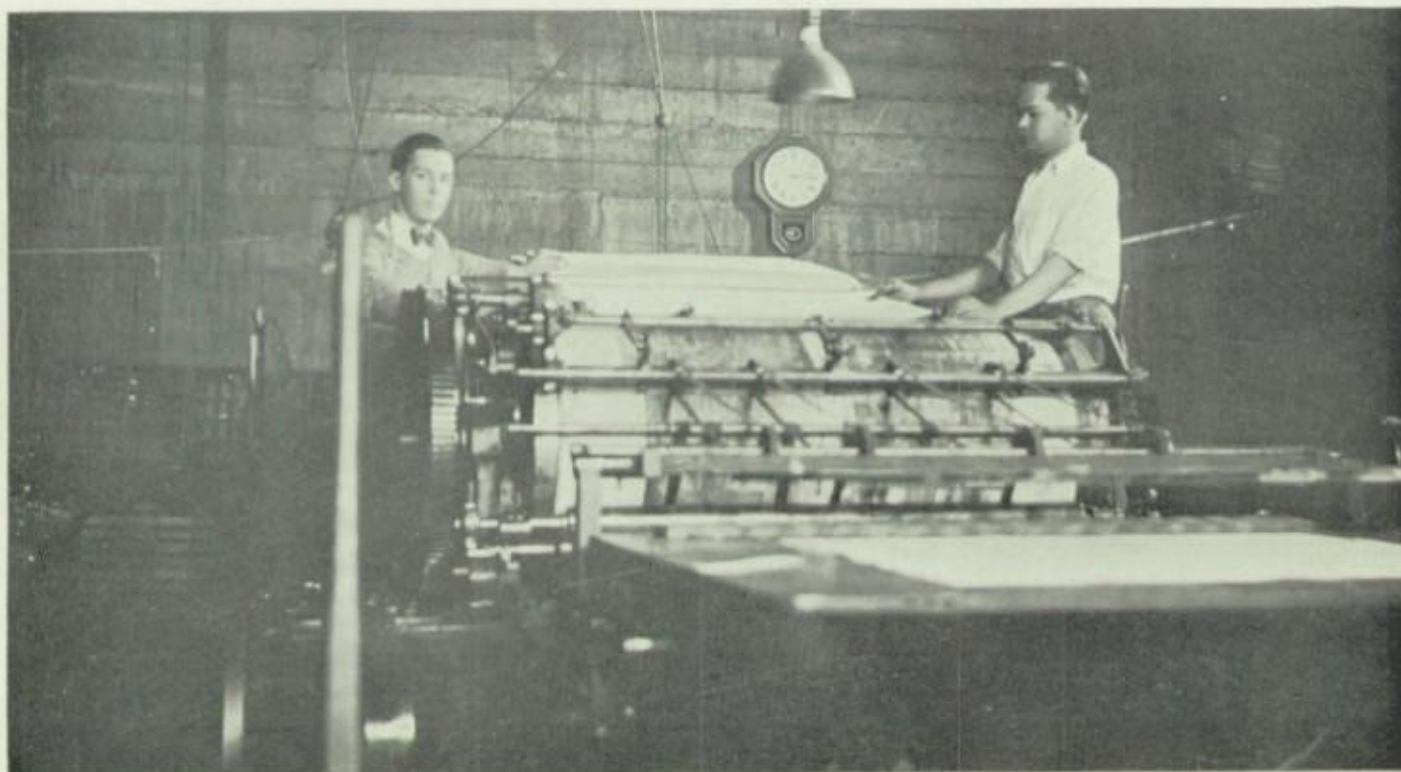

All members of the Music Department, including those studying Harmony, are justifiably complacent on looking back at the years accomplishments, due in a great part to the efficient head of the department, Miss O'Reilly.

JUSENDRA! that's a queer name! But look—Junior—Senior—Dramatic Club! Now doesn't that express wit. That is just an example of the wit and ability that is combined in Jusendra.

Jusendra has a vast membership—in fact it is the largest club in the school—of loyal and co-operative workers. You see our actors; but every member has a part either in the costumes, property, advertising, assistant coach, stage crew, or ticket committees—and sometimes some of our members write plays.

Jusendra has shown her ability in the plays she chose and successfully presented.

The club has gone through another successful year, due to the adequate leadership of our faculty advisor, Miss Oekel, and our president, "Bill" Truesdale, to whom we all wish to express our gratitude.

Senior Class Play
"The Whole Town's Talking"

The Whole Town's Talking

DRAMATICS came to a head when the Senior Class of 1929 gave the hit of the year, a three act play, "The Whole Town's Talking." It was a most unusual comedy by John Emerson and Anita Loos. The action centers around a family of moderate means. The daughter refuses to marry her father's choice, because he is not a man of the world. A picture of a famous actress addressed especially to the man, although planted by the father, leads her to believe that he is a man of the world. The actress appears with her husband, and complications arise. Finally after the actress' husband and a *very* good friend of the daughter have lain each out in a fight in the dark, the daughter marries the father's choice.

The role of the father was played by William Truesdale with every mark of a finished actor. Oh for a father like him! How about it? Mignonette Wolf played opposite William Truesdale as his wife.

Chester Binney, played by Edward Best, was the bashful suitor for the hand of the daughter, Ethel Simmons, played by Mary Murphy, who took with ease the part of the daughter with wild oats to sow.

Letty Lythe, the alluring actress of the play, and, her husband, Gordon Powers, did wonderfully with difficult roles.

Fresh from Paris (or Chicago) was Roger Shields. With his good looks and manners, the envy of Lord Chesterfield, and artful flattery he seemed for a while to have gained our heroine.

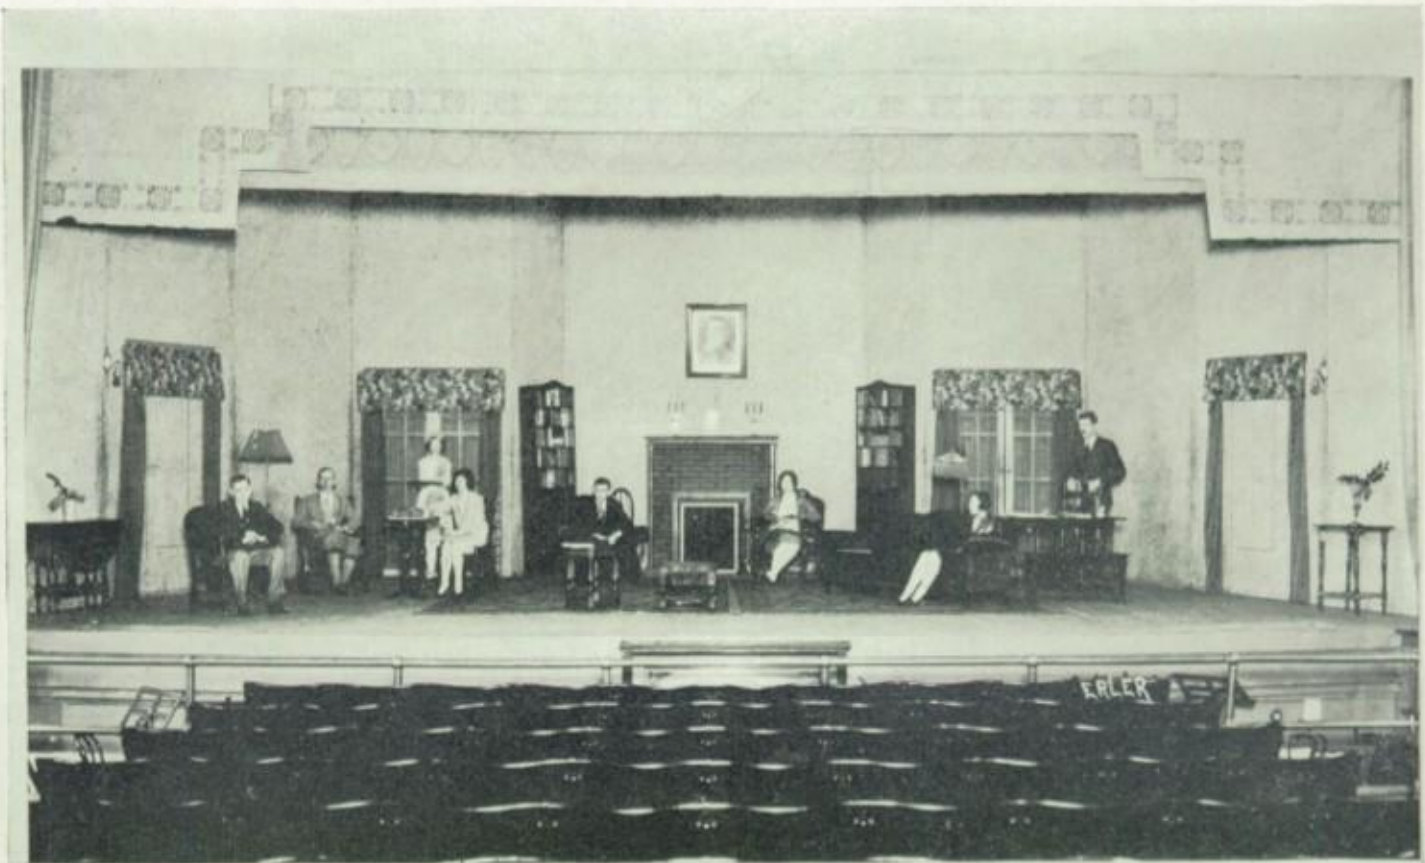

Others to be commended for their good work are Dorothy Folden, the maid; Dorothy Christian, a dancing teacher; Bruce Norman, a Taxi Driver; and Dorothy Gorham, Aldrea Johnson, Gwendelyn Williamson, Martha Laing, and Annable Miller.

Much credit is due to Miss Morris who coached the play. We appreciate her untiring work to make this the best production of the year.

The committees were composed of:

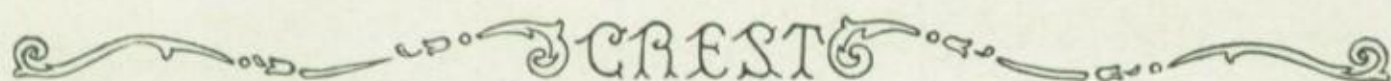

Miss Sankey, Mr. Swanson, Squibbs Stevens, Charlotte Jacobson, Miss Boynton, Frances Eckard, Eleanor Wallace, Marion Hunt, George Phalen, Benjamin Taylor, LeRoy Asher, Norman Bolles, Helen Vandever, William Truesdale, Mr. Barloga, Mr. Epstein, Donald Duffy, Louis Meek, Miss Waltmire, Lucylle Bahr, Everett Mercer, Rudolph Cramer, Walter Morrison, Norman Bolles, Mary Wever, Esther Diehl, Louis Vance, H. Jusendra Evening Play
"The Youngest"

The Youngest

"THE Youngest" a delightful farce in three acts, written by Philip Barry was the very pleasing choice of the Jusendra of '29 for their evening production. It was very full of laughs and, of course, there was a little trace of *amour* in it.

Richard, the youngest brother of the Winslow family, is the object of much battering about by the rest of the family, with the possible exception of his sister, Martha. Everything that he does seems to be in direct contract to their wishes. He is much given to writing, but the rest of the family want him to come to work in their pin factory. After many attempts to make Richard give up writing and come to work, Oliver the eldest son, and head of the family, since the father is dead, takes away Richard's allowance. This makes Richard desperate. From Alan Martin, a lawyer who has married his sister Augusta, Richard finds that because he was born after the will was made, he is entitled to a part of the estate, and the interest on the money that should have been his together with the original amount comes to more than the present fortune of the family. At first Richard is unwilling to demand his lot, but through the help of Nancy Blake, a girl who has come to visit the family, and has become interested in him, he finally takes his due. Hereafter all is changed and Richard now becomes the head of the family. Now you all know that Richard fell in love with Nancy and they lived happily ever after.

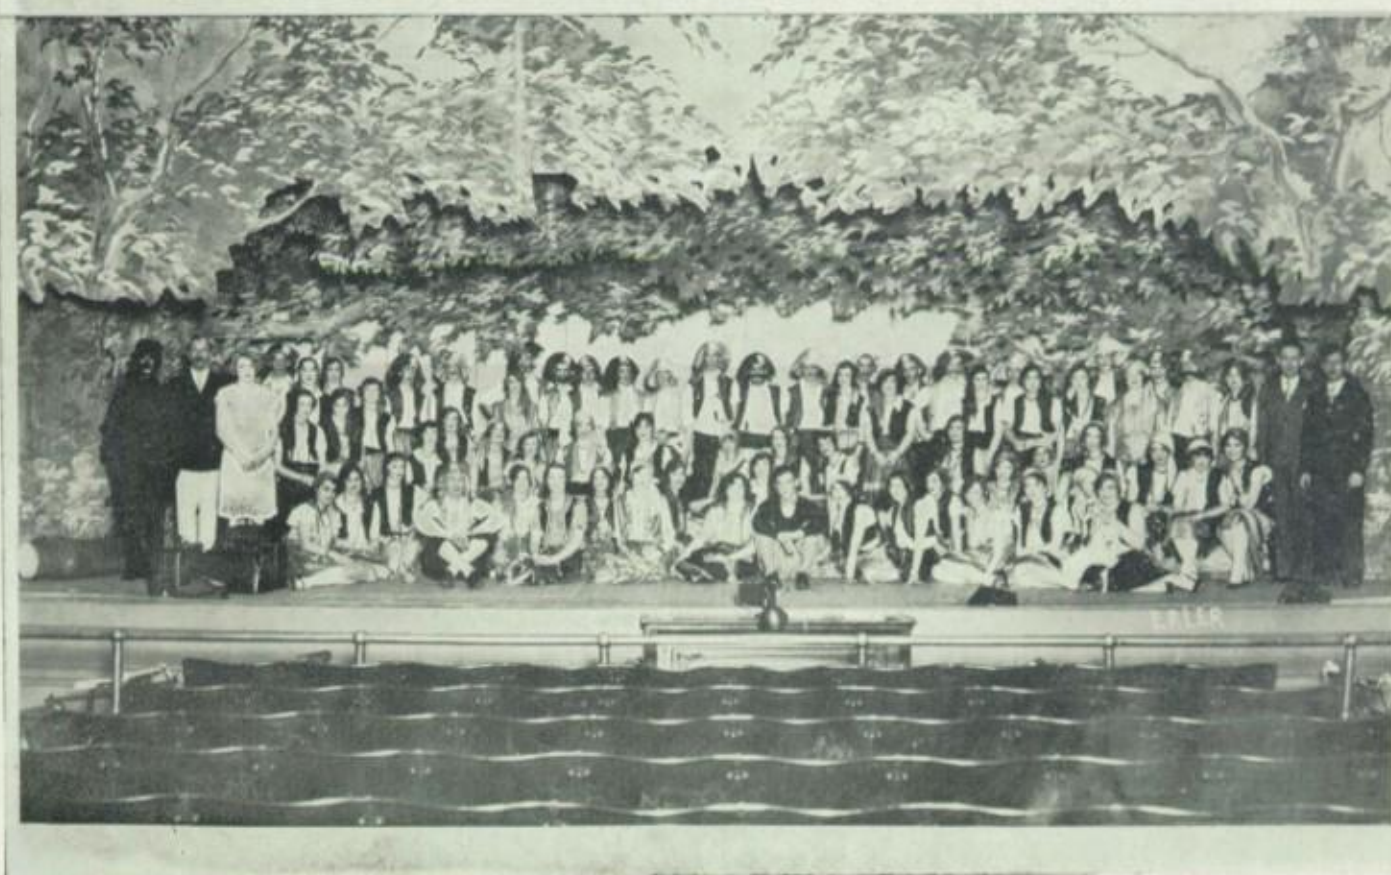

The title role of "The Youngest" was played by George Phalen. Most cleverly he played the part of Richard the "picked on" youngest brother. His peculiar actions were the cause of many fits of laughter on the part of the audience.

Vivian Pehl took the part of Nancy to perfection, and was in all a very sympathizing friend. Muff, the "wise cracker" of the family, was played by Jane Coleman. Berwyn Blessing, assuming a serious and overbearing personality, fitted the part of Oliver, the eldest brother, to a "T". Gertrude Pulliam, as the mother, Vern Hutchinson, as Mark, Valerie Michel, as sister Augusta, and Arnold Wahlfeld, Augusta's husband, and Dorothy Dow, the maid, deserve much credit for their splendid performance.

Again Miss Carmen Morris comes to the front with one of her most perfectly coached plays. How we do want to give her the "hand."

ATHLETICS

Athletic Board

THE athletic board, consisting of the above mentioned, holds a very important and influential position over all that happens in the realms of Sport at Central. Through the board all games are arranged and the schedules fixed. Theirs is the responsibility of paying for all the equipment needed and the financing of all athletics, large and small alike.

This year, as never before, there are a large number of students attached to the board. Thus placing our athletics in the hands of the students more than ever. The board this year functioned well, and for that reason students will be placed upon it every year. Both financially and sportingly, this past year has been a success, as have the other years since Salen Herke has been the director of athletics, and there has been an athletic board.

Salen "Doc" Herke

(Director of Athletics)

"WHAT," said the Bloomington Pantagraph, "is a high school doing with a coach like Salen Herke when so many colleges are in need of men of his ability?"

That is what we have been trying to find out ever since he came to Peoria High in 1916 as athletic coach and physical director, although we would not give him up for all the other high school coaches in Illinois.

He is a tireless worker, and this coupled with his extraordinary knowledge of all branches of athletics, has been largely responsible for the continued victories of Peoria High School in all sports. Herke is popular in athletic circles and is considered quite an authority in anything dealing with or about athletics.

That he is not altogether buried in athletics is shown by the interest he has taken in various other activities. For instance, he is married. He has, for the past several years, been recruiting officer for the Citizen's Military Training Camp, and also sponsor for a club of that name in the school.

He was instrumental in getting permission to use the State Armory for basketball games, thereby gaining the thanks of the rooters who had before that time seen the games under cramped circumstances.

ADRIAN DUSENBERRY, DELBERT MARSHALL, JACK BOURLAND.

Central's Cheer Leaders

CO-OPERATION with "lotsa" pep, made our cheerleaders popular in the past year of athletics. Headed by Delbert Marshall, serving his fourth year with the "white-sweatered jumping jacks", the other two men, "Snooky" Dusenberry and Jack Bourland, raised the fans from their seats with cheers and tricks.

Their antics, rythmatic motion, and voices caused the Armory to shake to its very foundation, shook the trees surrounding the stadium, and sent the student cheerers home hoarse, with echoes of their cheering ringing in their ears.

Athletic Managers

GEORGE SCRIPPS, *Senior Manager*

WILLIAM WELCH, *Junior Manager*

FERREL SAAS, *Sophomore Manager*

ROBERT SEDGWICK, *Faculty Manager*

OUR athletics and athletes have been well cared for in the past year by the above named and pictured managers. George Scripps, senior manager, gave many hours of his valuable time to hard work, for the care of the equipment, athletes, and pleasure of the fans. His was the important job of keeping the other managers always on the job, having the athletic field in readiness, or the basketball floor in shape to use, assisted by the other two.

Robert Sedgwick, faculty manager, handled the funds for the athletic department, a hard job at anytime. The handling of the tickets decorations, crowds, and the expenses of visiting teams, as well as our own expenses, fell to his care.

Tournaments, meets, and football games all had their troubles, and Bob buckled into them with a vim, knocked them out, and turned every bad break into a picnic.

William Conway

Athletic Trainer

BILL has been the official healer of wounds and breaks, trainer, and athlete caretaker since Coach Herke came here to Central in 1916. Bill came here the same year as Herke, has worked faithfully since, and proved worthy of more than just a passing notice.

The valuable equipment under Bill's care, valued at more than six thousand dollars, has received better care than most of the equipment at colleges. Bill takes a pride in his handiwork, does it well, and will continue to do it—and do it well.

His ability as an orator, singer, and doctor has traveled far in the memories of Central's graduates. His soap box orations in assemblies are remembered after many others have fast faded from memory. Bill has seen our athletes grow with success and defeat and has won a great place in the hearts of the students of Peoria High as well as those to whom he gave his time and knowledge.

Cross Country Team

COACH Earl English developed a cross country team that ran at a good many football games last fall, and placed first innumerable times. Led by Captain George Heintz, the team crashed through many times to win as did the football team. Those receiving letters for this grind were George Heintz, Ray Kipp, and Charles Off. Rudy Huber, Bob Doebler, and Bill Yocum received numerals.

CENTRAL TRIPS CANTON

To open their 1928 football campaign, Coach Herke's Maroon eleven upset the Canton Plowboys, 19 to 6. The game was exceptionally well played, considering the early season start.

Canton scored on an old trick play of one man staying out on the sidelines, and a long pass to him over the goal line gave them the six points. Central scored once in the initial quarter, and at the half-way mark the score was knotted at six-all. As is the custom, the Herke coached machine made a great comeback in the second half and pounded over two more touchdowns, and kicked a goal after one of these, to raise the score to 19.

Eugene Livengood, huskie fullback, supplied the thrill for the cash customers with an eighty yard gallop for a touchdown in the final quarter.

JACKSONVILLE AGAIN FALLS

Presenting a supposedly revamped team from the year before, Jacksonville high opposed Central on the downstate gridiron, and were sadly outclassed by the snappy Peoria eleven. Last year the Herke coached warriors defeated the Jacksonville men 52-0. This year the final result was 76-0, a Central victory.

BLOOMINGTON UPSET, 19-0

After tying Central in a scoreless battle on the Bloomington field the year before, Bloomington high met their Waterloo at Central in the third game for the Maroon, when they succumbed 19 to 0.

The game was a tough one throughout, and it was the work of Eugene "Gus" Livengood on the defense that predominated. Presley and Page in the line looked the best for Central.

CENTRAL LOSES THRILLER

Champaign high defeated Coach Herke's charges 12 to 6, in the hardest and fastest game of the season. Captain Ray Schalk of the victors, along with Hunter Russell and Strode, a gigantic tackle, cut the Central line to ribbons, yet failed to score more than twice.

Champaign, rating the strongest team in the Big Twelve Conference, was quite surprised at the resistance Central offered, and then in the second quarter, when Ward Eastman, tricky quarter back of the Central eleven, took a short pass from the hands of Al Ufhie and sprinted to the goal line, they were more than upset.

RICHARD JOCKISCH

However, in the second half, with the ringing words of Coach Les Moyer in their ears, they came back strong and battered the center of the Maroon line to shreds, and finally scored.

Later this game was forfeited to Central because of scholastic difficulties at the Champaign school.

CENTRAL 18, SPRINGFIELD 0.

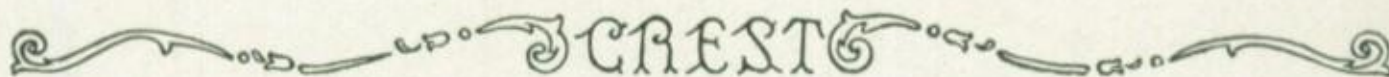

Central scored in the first period, when "Smitty" Ufhie intercepted a pass in midfield, and the combined efforts of McKeel, Ufhie, and Eastman carried the ball to the one-yard line. Gus Livengood ripped through center to score.

The second score came when Russ Page scooped up a Springfield fumble and galloped to the 20-yard line. A slick pass to Page over the goal line added six points to the six already chalked up. The second half found a highly charged Springfield team on the field. They rushed the pigskin to the Central 25-yard line, where Herke's proteges held, and took the ball on downs. Livengood tore off tackle for 20-yards, and then passed to Fritz Naffziger for a 40-yard gain. A pass to Russ Page and a small run by same after catching the ball made the total score 18.

MUD PREVENTS SCORE

MARION HOGATE
Center

After sliding up and down a slippery gridiron for one hour before the largest crowd ever assembled to see a Moline football team play, Central and the Plow Boys left the field without either crossing the other's goal.

For Central, McKeel and the husky Ufhel played the best games of the season. In the line, Kipp and the giant Hogate smeared everything within range.

ARMISTICE DAY VICTORY

Peoria Central grabbed 13 to 7 victory from the Spalding Purple on the home gridiron to celebrate Armistice Day.

The game was, no doubt, one of the most brilliantly played games between the two schools. The plunging of the Central backs and the passing attack was beautiful to see. The wide end runs of the Purple often struck terror to the hearts of the Central fans, and caused the Maroon defense much trouble.

Central scored in the first quarter, after Page had blocked a Spalding punt on the five-yard line. Cliff McKeel knived his way through the Purple line, and Fritz Naffziger dropped the ball between the uprights for the extra point.

EDWARD DAVIS
Guard

Spalding scored on a pass and a long run by Colby. They also scored the extra point. As the gun sounded, Naffziger tossed a long pass over the heads of the Spalding backs, and Heinie Triebel grabbed it to fall over the goal-line for the touchdown.

PEKIN PROVIDES UPSET

Pekin High, under the tutelage of a former Central athlete, provided one of the biggest upsets of the current season, when they held the Maroon eleven to a seven to seven score, on a muddy, slippery field, in a rain storm.

Three times the Central cohorts had the ball within the five-yard line, to fail to score.

FORREST WHARRY
Guard

CREST

In the third quarter, Pekin pushed over a touchdown, and successfully plunged over center for the extra point. It was not until the final period that Central made use of an opportunity and hammered over a score. A plunge through Rube Jockisch at left tackle scored the point to tie the count.

The burden of the offense fell upon the shoulders of McKeel, Naffziger, and Tony Saccenti.

ANOTHER TIE SCORE

The week before the Thanksgiving game found Central in Decatur, determined to set the Kintner coached eleven down. However, the hard charging, staunch Decaturites were not to be vanquished. Another seven to seven verdict was the result after all was said and done.

RUSSELL PAGE
End

Page, McKeel, and Naffziger were the offensive stars for the Maroon, while Hogate, Jockisch, and Presley worked the best on the protective end of the business.

TURKEY DAY BATTLE LOST

Coach Herke sent his charges into the Manual game with the biggest, and hardest job on their hands that they had ever undertaken.

Fighting against odds, and without the diminutive quarterback, Eastman, after the first quarter, Central put up one of the greatest defensive battles ever played on the Bradley gridiron, but lost by a 13 to 0 count.

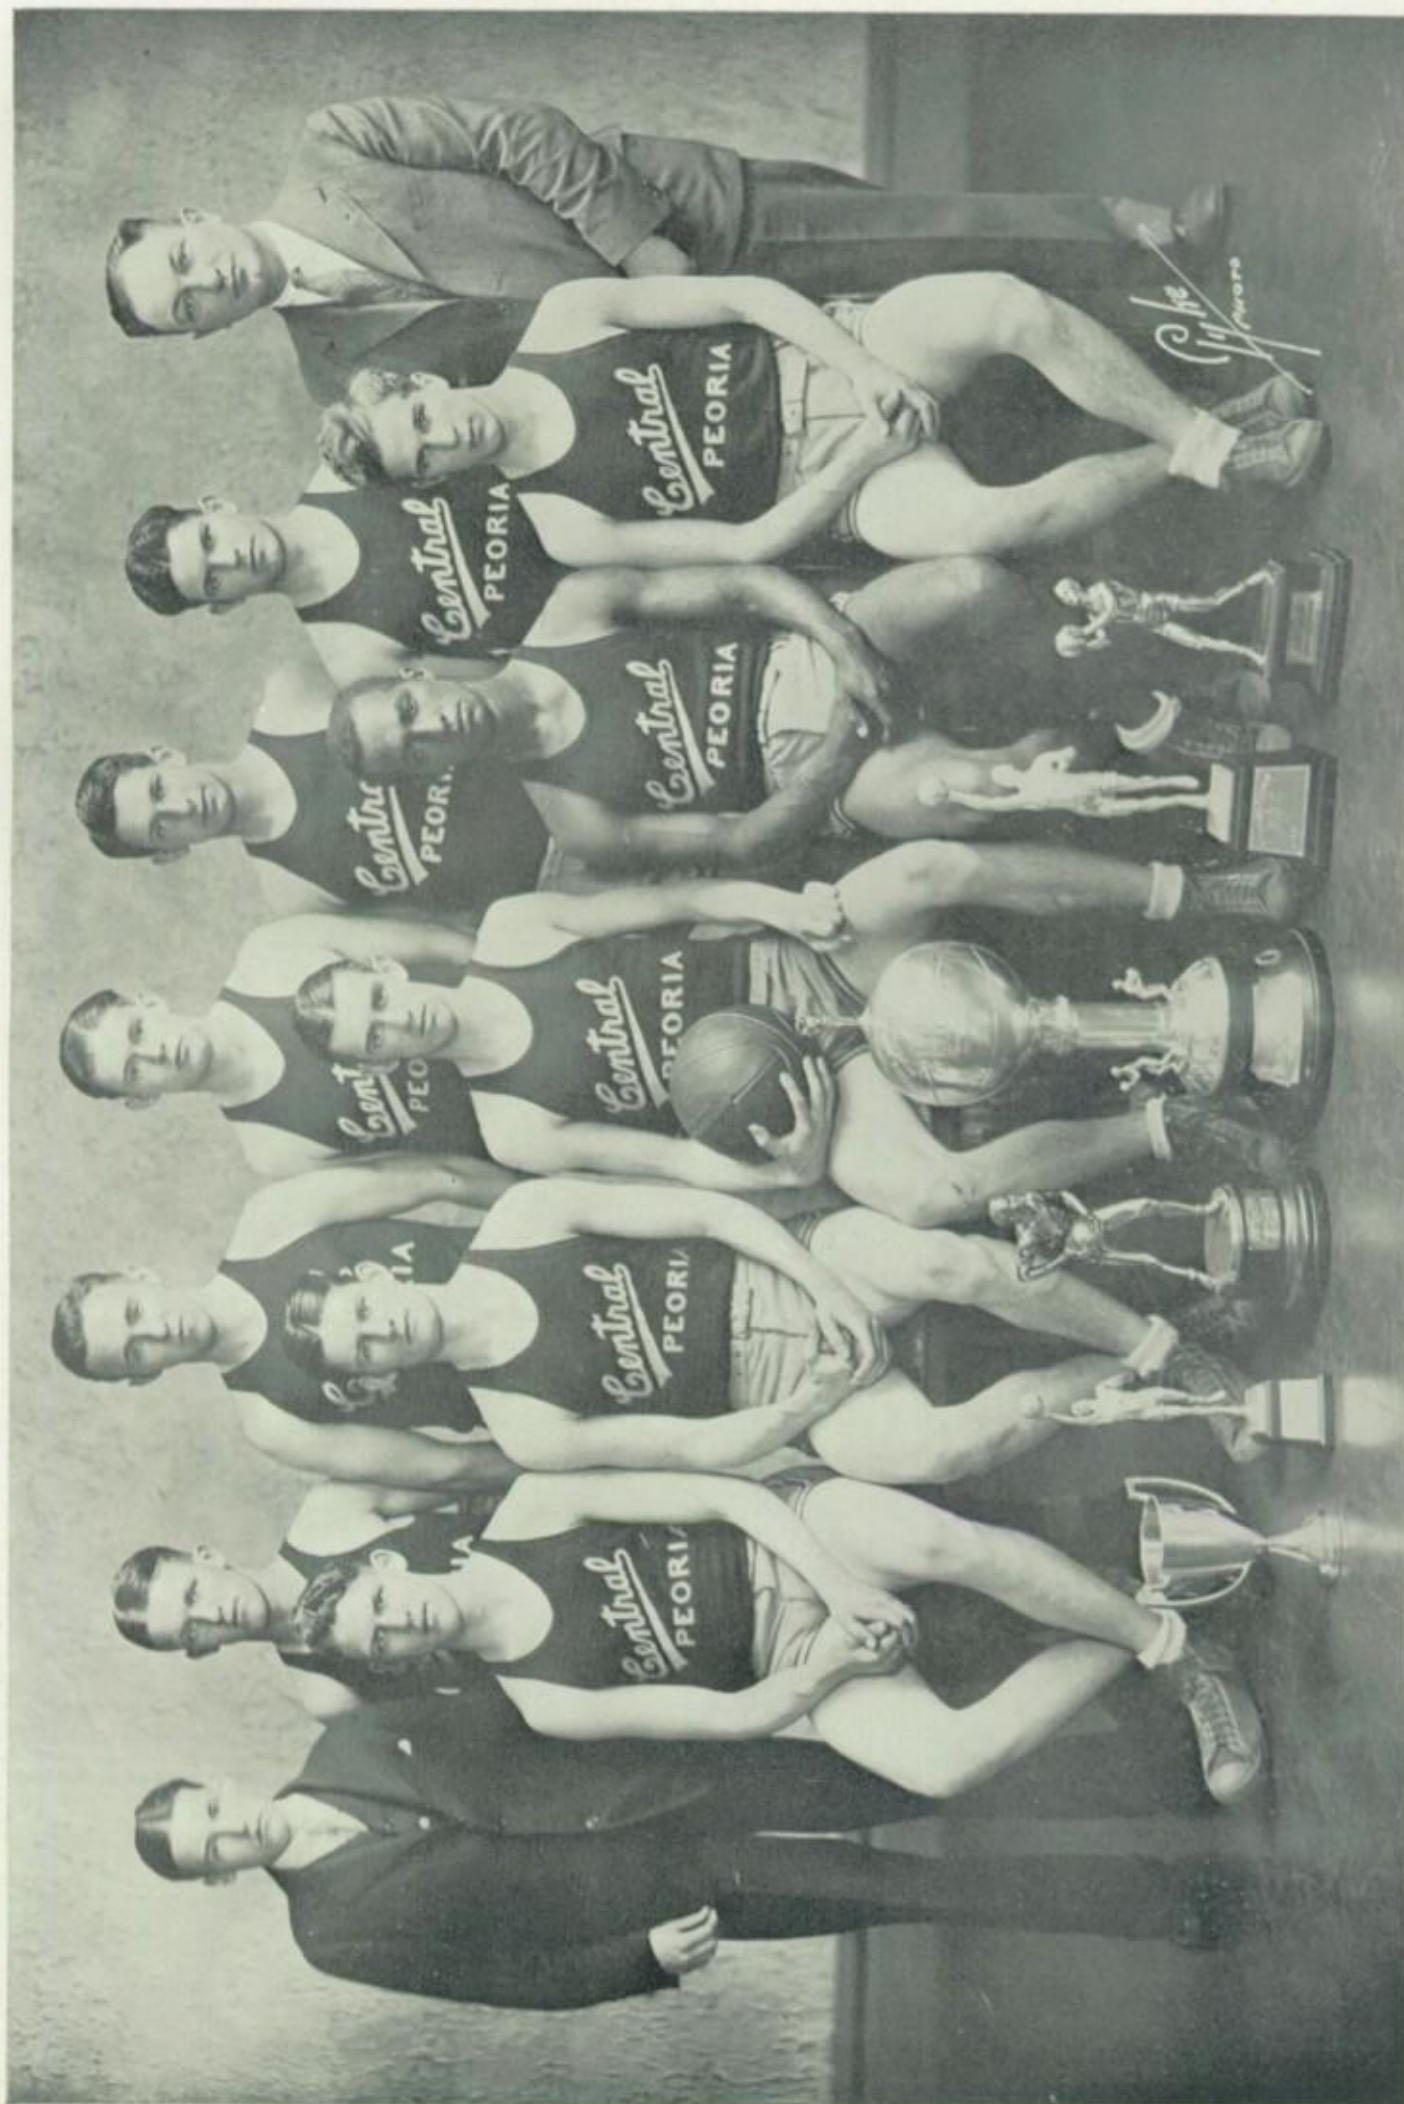

WARD EASTMAN
Quarterback

Manual crossed the goal line once after a punt had been blocked. The other score was made after the final gun had sounded, when a Central player dropped the ball when tackled. "Red" Hanks scooped up the elusive pigskin and galloped to the score.

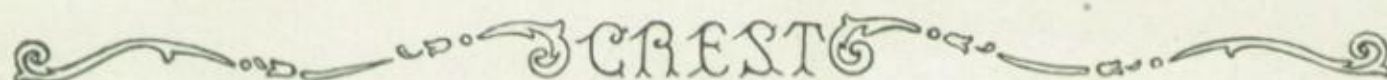

Central not only lost a possible chance to tie Manual for the championship of the Big Twelve Conference, but lost the City of Peoria title to these same football artists.

1928-29 BASKETBALL SEASON

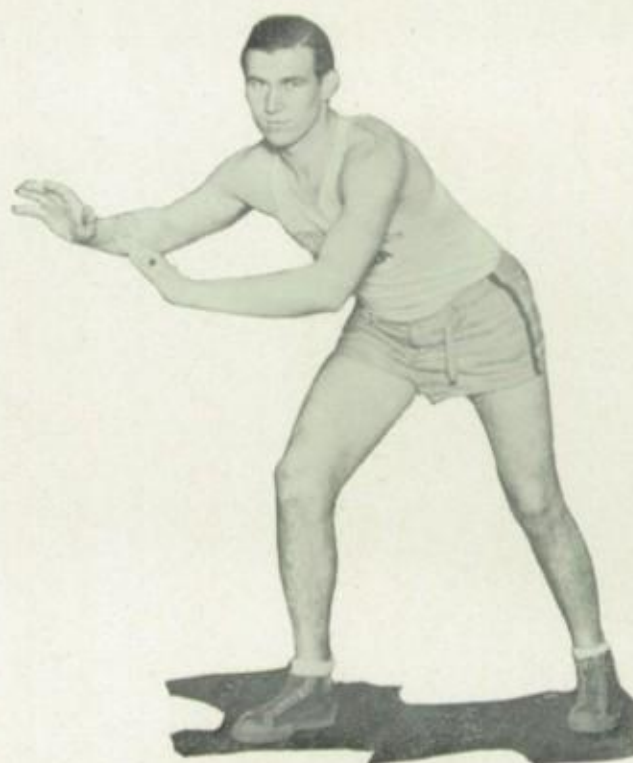

PEORIA CENTRAL'S basketball team, under the tutelage of Coach Salen Herke, were victorious twenty-seven times out of thirty-one encounters. Captain George Soper led the Maroon jerseyed cagers to victory on every occasion. His mighty scoring ability, pepiness, and team play, made him one of the most feared men in the Big Twelve Conference. This aggressiveness placed him upon the First All-Big 12 team, First All-State team, in the past season, and in the 1927 season he was placed on the First All-State team.

Central opened the season by virtue of a 41 to 19 win over the Wallace-coached five of Tremont high. The next important game came when the Herke-men grabbed a 17 to 15 affair from the almost unbeatable Streater high. Games came fast and upon each others heels from then on until the first Champaign game, played in our own gym. This was a thriller of the first class. The fracas went to three overtime periods of play and then the lanky Captain Hagerman for the visitors, tossed a free throw to win the game for the Champaign five, 27 to 26.

Immediately afterward, Spalding high upset the dope, and eased through to a 15 to 13 victory. The Spalding cagers played fine ball throughout the fray and deserved to win. Streater high came to Peoria, took a defeat, and returned home. Manual was met and defeated in due time, as was Champaign on the University City floor. This was one of the fastest and neatest played games ever seen on the Champaign floor. The Central caging machine came through, 28 to 24, to throw the Big Twelve conference race into a tie between Central, Champaign, and Lincoln.

Spalding was met and defeated, to place Central in a tie with the Catholic Institution for first place in the Intra-City basketball league. Herke then sent his charges against Decatur, with the championship of the Big Twelve conference depending upon the out-come. Should the Central athletes be defeated they would lose the Big Twelve title, should they win they would win a tie with Champaign for the first place honors. However, they came through in the characteristic Herke-team style, and handed the Kintner coached five a 34 to 17 drubbing.

Central entered the District tournament a favorite to win, but after the first game, the odds turned to Manual. Central was able to break through the Roanoke defense and win by a 24-22 count, and that night met Manual high for the championship. The crowd, newspapers, and officials predicted Manual as the winner. Herke put a fighting five on the floor, and they crashed into the Orange crew, to upset all dope. The outcome: Central 24; Manual 16.

In the Sectional tourney, the Central five, along with Canton, was conceded the favorite. The first game of the tournament found Central facing Pontiac high, who it defeated 34 to 12. Canton was the opponent on the second night, and the Armory was packed to bursting. Over four-thousand people jammed the spacious gym, to see the home team defeat Canton in one of those well played, peculiar games, for which Canton is noted. Galesburg was met and defeated in the final game for the championship on Saturday night. The Burgers went down, 23 to 15.

At the State Tournament, for the state championship, Central met Witt high, and the Witt five succumbed to Soper and his mates, 27-19.

The second night, Johnston City, a dark horse in the tourney, slammed Central down hard, and won the battle, 19 to 15. Central stayed and played for third place, but were defeated by Freeport, 27 to 15.

A total of thirty-one games were played during the season. Of these twenty-seven games were won by the Central cagers. The first annual Big Twelve Christmas holiday basketball tournament was won by Central with little trouble. Though this tournament did not count for anything in the Big Twelve conference standings, it gave the coaches a chance to see a little of that which they would face later. The tourney was a success and will become an annual affair.

1928 Track Team

SUCCESSFUL in other sports as well as track, Coach Salen Herke has developed many championship teams in all branches of athletics, the 1928 track and field team, placed in the running by Coach Herke copped their share of trophies and honors, won the District track meet, the greater Peoria Track and Field meet, and snatched first places in innumerable dual track meets.

Led by Captain Charles Baumflek, sprinter de luxe, the team made a fine name for itself and was feared by all it faced. Willard Hersche and Bob Bartholomew also burnt the cinders in their dashes, the trio winning many places in sprints throughout Central Illinois.

Carl Luthy and George Soper, distance runner and quarter-miler respectively, always came in for their share of the points, and both went to the state finals to run in their events. However, the combination did not place.

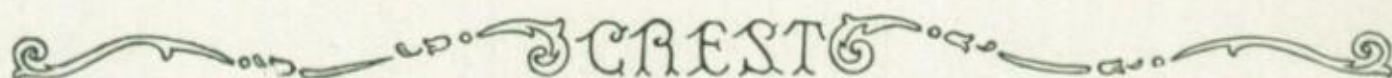

James Hammer and Guy Brantingham ran hurdles. Guy ran the lowhurdles, Jimmy the high and low both. Hammer set several records, captured numerous first places, won many points for Central, and finished up his track career in a blaze of glory on May 20th, when he set a new record in the 120-yard high hurdles and won the low hurdles in the Greater Peoria Track meet.

Albert Ufhiel, strong man, weight thrower, javilan thrower, and discus tosser, picked up so many points in one meet that he won his letter on that day. Three first places, in the above mentioned events, scored fifteen points for Central on that day.

George Heintz, captain of the 1929 track team, ran both the distance runs and the shorter dashes last year. However, this year he will confine himself to two or three events.

Coach Herke's cohorts lost a dual meet to Pekin high, by a score of 68½ to 62½. Another meet followed a week later at Chillicothe, which Central won overwhelmingly, 111 to 20. Tremont was next banged in pleasing style, 75½ to 46½.

At the Illinois Wesleyan Annual Interscholastic track and field meet, Peoria High's men gathered 5 points.

The Big Twelve track meet, held at Decatur, found Central far short of most of the Big 12 teams. The Maroon, through the good work of Soper, who placed 4th in the 440-yard dash; and the second place of the 880-yard relay team (Hersche, Brantingham, Soper, Baumflek), scored four points.

Central came through in the District track meet, however; and captured a total of 28½ points, to win the right to participate in the State track finals at the University of Illinois. This alone is an honor. The Central runners did not place at the finals, though they gave their best. Several of the marks set at these finals were later acclaimed and acknowledged National prep school records.

The Annual Greater Peoria track and field meet, 18th annual, was held on the Bradley field and attracted the largest number of entrees ever. Central garnered a total of 68 points to place first for the thirteenth time, and the eleventh time in succession. Manual was second, with a total of 33 points; Averyville, third, with 27 points; and East Peoria trailed, with but 7 points. High point honors went to the following three: McCarthy, Manual, 10 points; Merrick, Averyville, 10 points; and Bartholomew, Central, 9 points. A summary of the meet follows:

EDWARD DAVIS

CARROLL BAYMILLER, *Captain*

Tennis Team, 1928

NETS and racquets and tennis balls and championships profuse. That's Peoria High's lot this past year along the tennis line.

The second season of tennis for Central, and the second season of competition, found Carroll Baymiller and Edward Davis still swinging their racquets for the Maroon.

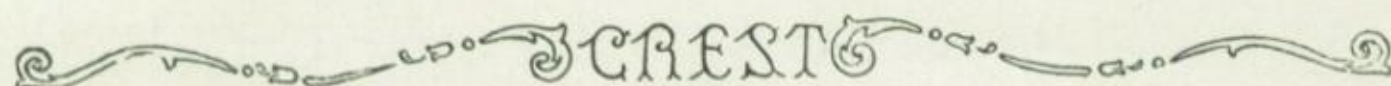

Led by Captain Baymiller, the doubles team consisting of the two aforementioned lads, again won the Big Twelve Doubles title, and Edward Davis won the Big Twelve Singles title, by defeating his own teammate, Baymiller, in the finals. These two boys went to the state prep tennis meet—and playing as a doubles team captured fifth place. Davis won fifth place in the State prep school singles. This is by no means a low ranking in the state prep tennis circles.

During the summer months, soon after the close of school in June, these two flashes won the Illinois Junior Doubles championship. Davis then methodically proceeded to win the Illinois State Singles title.

For the 1929 campaign, Central will again have Davis, but Baymiller has been graduated from the ranks. Only two letters were given in tennis for the 1928 season, as in the 1927 season, and were claimed by the same pair on both occasions.

CLAD in the Red and Gray of the Central baseball uniforms, nine men travelled to Jacksonville, and in a smashing, exciting ball game, defeated the Illinoie School for Deaf, 10 to 7. Champaign was topped 4 to 3 in a game on the home lot, the following day.

Springfield defeated Central 9 to 5. This, Central's only defeat on the diamond.

Manual lost to the Central cohorts, 2 to 1, in a game that ended in a near riot. Central batted last in the ninth inning, and with two out and a man on third base, the score one-all, Louis Williams popped one over third base, that dropped safely, and the runner scooted home with the victorious run.

Spalding fell by the wayside, in a slaughter, 15 to 0. Manual again lost to Central, giving the Maroon nine the City championship. This time Central had little trouble in beating the Southsiders, 6 to 4.

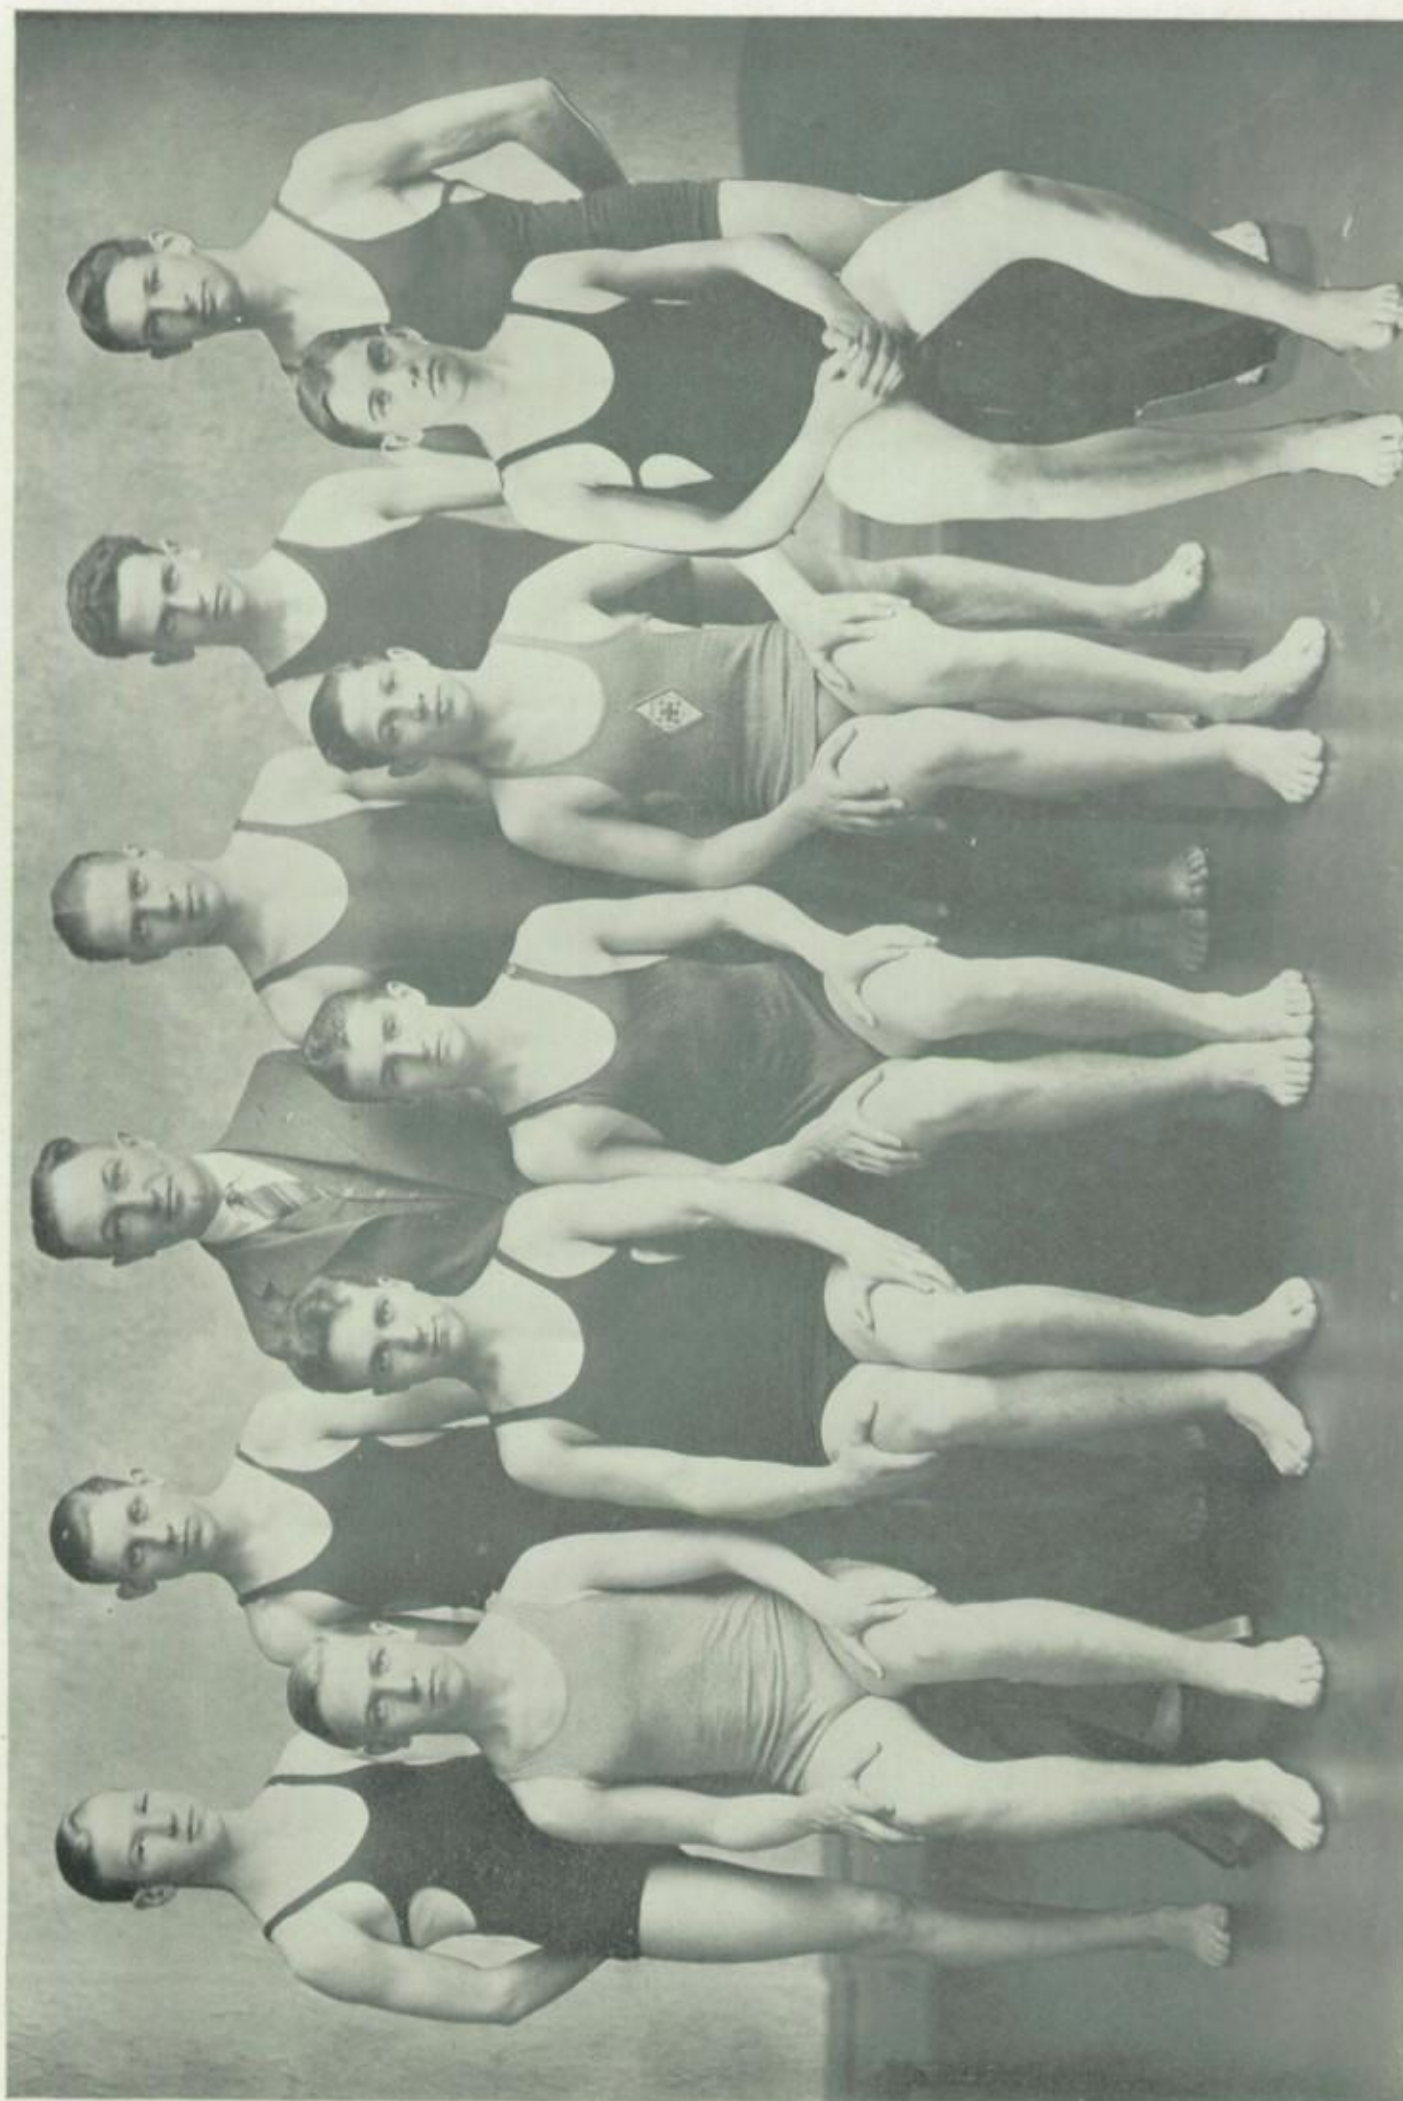

Central won four Big Twelve Conference games, and lost one.

The team batted an average of .254, fielded .935, and made a total of twenty errors.

THE 1929 swimming team, though not under the guidance of any one individual, established a name for itself throughout the state. Frank Hewitt, state swimming champion in the dashes, not only captured innumerable firsts in dual swimming meets, but also captured a third in the 220-yard swim at the National Y. M. C. A. swimming meet in Chicago.

The swimming team this year defeated Champaign, the strongest swimming team in the Big Twelve Conference, twice. Once at home, 45 to 19; and once at the University City, 31 to 26. In both meets the Central youths displayed their superior power.

However, at the Conference swimming meet, neither Central nor Champaign were in good form, and Danville copped the meet, with a total of 28 points. Champaign took the second place honors, with 23 points; and Central rested in lowly third place with but 22 points. The Urbana boys managed to take the fourth place, ringing up 18 points.

Central's points in the Big Twelve Conference meet were accumulated through the efforts of the following: Frank Hewitt, 1st in 100-yards free style swim; Albert Hoppin, first in the fancy diving; Abe Schaffer, 2nd in the 40-yard free style swim; Bruce Norman, 4th in the 100-yard breast stroke swim; Harlin Lewis, 4th in the 100-yard free style swim; 2nd in the free style relay (Cooper, Lewis, Eichhorn, Hewitt); 4th in the medly relay (Norman, Hoppin, Hewitt).

AS in the past years, the four Peoria high classes were represented with class basketball teams. These quintets are composed of the best basketball talent in the different classes outside of the varisty basketeurs.

The Seniors with the best players, as is to be expected, won the league championship by defeating the Juniors 17 to 16, in one of the fastest and most hotly contested games ever recorded in the annals of the class sport. The Juniors led the Seniors 16 to 15 as the two teams went into the final three minutes of the game. Neither could score and neither could break through the others defense to get a shot at the hoop. Eddie Davis, Senior Captain, worked down to a corner near the basket in the final few seconds of play, and tossed one over his head at the net. The gun sounded for the end of the fracas, and the ball swished cleanly through the hoop to give the Seniors two points and the championship, 17 to 16. The personal of the Senior team: Ed Davis, Jim Greene, Marvin Jones, Abe Schaefer, Bob Lyons, Bob Kipp, Freddy Propp, Warren Kinsey, Wallace Triebel, and Ben Taylor. The results of all the games played in the league: Seniors 23, Juniors 20; Seniors 42, Freshmen 8; Seniors 28, Sophomores 14; Seniors 17, Juniors 16 (championship); Juniors 34, Sophomores 11; Juniors 27, Freshmen 15; Sophomores 17, Freshman 9; Sophomores 28, Freshmen 11.

MISS CLAUSEN'S GROUP—*Lightweight Champions*
FRANK FINNEY, RAY KIPP, DALE FREEBURG.
MORRIS FEARIS, *Captain* WARREN KINSEY, ANGUS FERDINAND.

Advisory Basketball

MISS CLAUSEN'S lightweight basketball quintet found itself in possession of another championship, the second in two years, after the finals in the Advisory group basketball league had been played. Their victory over Barloga's five 22 to 10, over Sedwgick's quint 18 to 16, and over Swanson's crew 20 to 14 in the championship go, were all decisive, though hotly contested, games.

Led by Captain Warren Kinsey, who had starred the year before when the initial championship was won by the Clausen group, this fearless five knived itself through all to the championship finals, almost always doing the heavy scoring in the second half of the fracas, as is the custom of all Clausen teams. Kinsey and Ray Kipp carried the burden of the battle for the victorious crew.

The two leagues this year were in the capable hands of Mr. Parkhill, as in past years, and were handled in the same efficient manner as they have been cared for in the past. His was the job of computing the standings, arranging games so they would always be interesting affairs, taking care of weights, protests, and such things as those which always arise when any kind of tournament is arranged.

The league this year was the largest ever known in the realms of the Advisory sport here at Central, having more and better teams than ever before. Thus all games were of first class caliber. As many of the players return next year, another large and even greater league is assured.

MR. CLIFFORD'S GROUP—Heavyweight Champions.
ERNEST FEIGENBAUM, MARION HOGATE, BOB KIPP, MR. CLIFFORD.
TONY SACCENTI, FRITZ NAFFZIGER, BOB SPANGLER.

Advisory Basketball

CLIFFS Fords won the annual heavyweight basketball championship for the year 1929, by trampling the Westhoff five, 21 to 13, in one of the best played heavyweight games ever seen on the P. H. S. floor. Bob Spangler, Bob Kipp, and Tony Saccenti starred for the victors, while on the defense Fritz Naffziger and Marion Hogate held the opponents to but four field goals.

In the first round of the tournament, in which the eight leading teams of the league participate, the Clifford aggregation spilled the Reinhardt hopes into the mire, by virtue of a 15 to 11 win. English's group then attempted to stop the Clifford five, but to no avail, for they were felled by a 16 to 9 count.

The championship affair, aforementioned, was one of the brilliant games of the season, keeping the fans on their toes throughout. Neither team could score in the first quarter to any extent, and the first period of play drew to a close with the score knotted at two apiece. The second quarter found the Westhoff five plugging the basket from every angle, and as the play ended for the half-time rest period, they led by some few points. However in the third period and also in the fourth, Spangler and Saccenti got "hot," spilled a few balls into the basket and gun sounded with the Cliffs Fords out front by eight points. Hail the champions!

Class Prophecy of '29

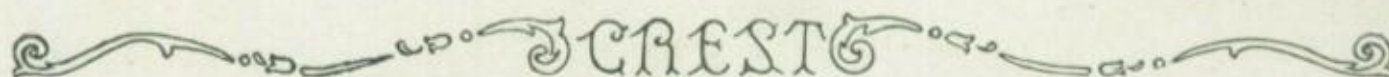

GUESS what? Here I am in Italy. Gee, but it is beautiful here, but when you're a missionary, you can't drink in the beauty. I guess I'll have to hurry to meet my pilot, Homer Fry. Why, whom do you suppose I meet? None other than Virginia Birket, who is posing for the famous sculptor, Carl Hessing. Hurrah, they consent to go with me to Turkey. We are surprised to find our pilot's ever faithful wife, Bernadine Condon, waiting for him at Turkey. On leaving the landing field we meet another of our classmates in the person of Doctor Eleanor Hiatt. She has just received a notice to appear before the sultan and we are going to see what he looks like. When we step inside the palace, we are overcome by the sight. Straight ahead of us, reclining amid luxury is the sultan, a handsome young man. Doctor Hiatt tells us to our surprise that he is Robert Hughes. At his right, gorgeously attired and jeweled, is the favorite from his harem, Holly Blumb. At his left is Delbert Marshall, the jester. We hear love inspiring music and looking about we distinguish Clifford Partridge playing his violin and directing an oriental orchestra. We are entertained by a fascinating little dancer, Jane Coleman, and Emily Herman singing a group of love ballads. Peering from the lofty balconies are others of his harem: Alice Joy, Martha Laing, Margot Kallister and Shirley Frederick. As we do not dare to approach the sultan Hughes, we silently leave the palace again to explore further. Looking about we find that several other of our classmates have settled in Turkey. Just now we see Gertrude Pulliam go by in her Rolls Royce to meet May Blomeyer, who is still making use of her executive ability as president of a boarding school. On the list of faculty members we find Ruth Lied, as an instructor of "Trig." Being very thirsty we decide to go to the next ice cream parlor and here is Roy Sauers jerking sodas.

Isn't it interesting? We plan to stop a few days in Sapin. The first person we see there is Helen Vandever, an interpreter. She insists on taking us to the bull fight, where we see the highly esteemed toreador, Walter Morrison. At the ball held that evening in honor of the great toreador Morrison, we see Janet Bush doing a Spanish dance.

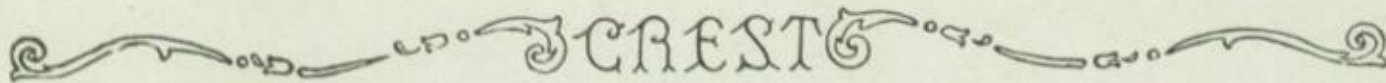

Then we go to France. In Paris we hear that Virginia Best is suing Harold Evans for divorce on the grounds of cruelty. The judge of the court is George Phalen while the lawyer of the defence is none other than Kirker Quinn.

As we continue our journey we find so many of our old classmates that we shall just mention what they are doing.

WITH APOLOGIES TO ANYONE

The Ten Commandments of P. H. S.

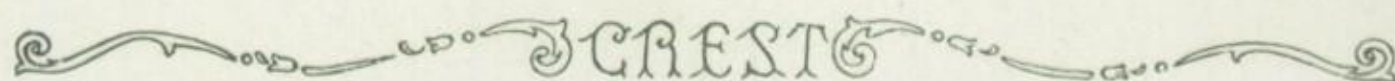

- I. Thou shalt not flunk, for if thou flunkest, thou canst not graduate.
- II. See to it that thou dropest not the paper in the halls for the Council will not hold him guiltless who dropeth refuse in the halls.
- III. Chew thou not gum for verily the fountain is full of the gum which the students have chewed.
- IV. Skip thou not classes or on thee will the wrath of J. E. Brewer fall.
- V. Take care that thou write not thy love letters in the class room, for he who doth will surely be punished.
- VI. Talk not noisily in assembly, else the hand of A. L. E. on thee fall.
- VII. Beat not thy feet upon the floor, or thou wilt sojourn elsewhere.
- VIII. Honor thy teachers' commands, that thy life may be long in the land which J. H. B. ruleth.
- IX. Linger not too long in the flivvers of the shieks, else the bell ring before thou enterest the study hall.
- X. Covet not thy neighbor's knowledge, for verily I say unto thee, he who copies must flunk, (if caught).

CHANGE!

Never before have things changed as rapidly as today. Imagination sets the pace . . . and Monday's dream is Tuesday's realization.

The scientist discovers a new metal. Experiment and perfection follow in quick order. Factories hum . . . and in a fortnight another business adds its cry to the roar of an industrial world.

Bobbed hair becomes the style, and 62 tons of steel are instantly converted into half a million clippers to meet the demand of barbers in shops the world over.

Up jumps a designer with a snake-skin shoe, and overnight little dried bales of snake and lizard hides crowd our customs from foreign ports . . . as women of a nation clothe their feet in something new.

A boy streaks across three thousand miles of water in a white-winged plane. And transportation tremble on the verge of a revolution in the air.

DIAMOND JUBILEE YEAR

75th Anniversary

For seventy-five years we've been giving to the people of Peoria the best merchandise obtainable at the lowest prices consistent with quality. A simple yet an honest doctrine. Our success proves to us that our friends appreciate such a business policy.

You, young men about to enter the world of business will do well to follow such a principle.

NOT A MERE VENDING OF GOODS

This is more than a place to shop!

Men who establish stores and lead them along the paths of progress, do so primarily to gain a fair share of legitimate profit. And, if they so choose, much may be the limit of their intention and endeavor.

But a commercial organization including six great department stores, may hold a much higher place than that of a mere vendor of goods.

Each store may become a center of community life, a meeting place of friends, a force that elevates taste and broadens vision, and an ever-changing Fair through which filters all the wonders of the magic world, outside.

"Hello, old man. How are you?"
"Me? Say I'm so sick I think patent leather is a new kind of medicine."
"That's too bad. How's business?"
"Business? It's rotten. Say I'm so broke I think a grand is a kind of a piano."
"Is that so? The boss is mean, is he?"
"Mean? Say that guy is so mean he thinks raise is something the sun gives."
"That's tough, all right. How's your girl?"
"Girl? Say she's so dumb she thinks a speakeasy is a new kind of radio."
"This is an awful world isn't it?"
"Did you sell me a shaving brush a week ago for 25c?"
"Yes sir."
"Well show me one for about twelve dollars."

A Los Angeles policeman had brought in a colored woman somewhat the worse for wear and the desk
seargent, with his best scowl, roared.

"Liza, youve been brought in for intoxication."

"Dat's fine!" beamed Liza. "BOY you can start right now."

Fair Damsel (who had been caught in the act): "But really mother smoking doesn't do any harm."
Mother: "Then for heavens sake, how did you ever come to take it up."

"Say, Bown, I want you to meet Johnson."

"Oh, I know Johnson. We used to read my paper together on the North and Loucks buss."

"And what are men, after all, my dear?"

"Women, honey, women; they're all after women."

"When did Washington take his first ride?" asked Mr. Damon.

"'Twas when he took a hack at the cherry tree," quoth Farnum Oyster.

"Your school isn't a college; it's a match factory," said a smart young scamp to a co-ed.

"You're right," replied she. "We furnish the heads and get the sticks from the men's schools."

HELLO EVERYBODY!

Now that school is out and we don't have to work about the whys, whens and wheres, or juggle figures or fight spring fever, we can take up a new subject:

SUMMER ACTIVITIES

This is a very interesting course and the enrollment will be large. The first problem in our textbook is:

**How Shall We Be Assured of Being
Well Dressed At All Times?**

There is just one solution to this problem. You will find it on the Apparel Floors of P. A. Bergner & Co. We know what students want and we are always up on our tip toes, making a special effort to keep even with the Fashions of the Younger Set.

Mr. Epstein: "Why do you persist in saying that lightning will never strike the front end of a street car?"

L. Vance: "Because the motorman is a non-conductor."

He: "She's an expert needle woman."

Haw: "Yeah?"

He: "Yeah. You should see all the tows she's hooked."

"Drunk again. What excuse this time?"

"George Washington's birthday."

"Yeh; well, what excuse is that for you?"

"Poor fellow ish dead. Can't celebrate himself, can he?"
